J. O. U. A. M.

Shepherdsville Council, #119,  
Junior Order United American  
Mechanics.

To the Jr. Past Councilor and  
Members, Jr. O. U. A. M.

Greeting: Your Councilor is not unmindful of the responsibility you have placed upon him, and while it will be his aim to so conduct the affairs of his Council

as to merit the "well done, good and faithful servant", he feels that the success of the order does not rest upon the Councilor alone. Every officer in the order has his responsibility and likewise the members. If every member of this order would do his part towards its upbuilding during this coming year, there would be no question about the result that we would have, and if every member would reflect back to his vows that were placed upon him, he would make a strong member, and we would have less suspensions.

Dear Member, put the robe of honor on your shoulders that once was there and get busy and come yourself and bring a new man with you every meeting night. I want to thank the members for the honor that they have bestowed upon me by re-electing me Councilor of the order. We have had one meeting in 1916, with a small attendance. We would like to have a full house at our next meeting. We have some applications for memberships to the order, and several of them want the Oriental Degree, so let us get busy and give them a good time. We are anxious to have a good strong Booster Committee for this year and it would be necessary for them to be present to appointment. There is plenty for us to do. Let's have a reunion of all members, and roll the year 1916 up past the record mark. May we all think of the past and study out a way that we can be more useful in this glorious new year, and not let any opportunity pass.

Pray do not become suspended, Ere it be for you too late; You can find them by the hundred who

have gone beyond the date. Many hearts are filled with sorrow, Many homes are full of grief, Just because he had left an order Which had guaranteed relief. Signed - Councilor

\*\*\*In Memory

Of our Son and Brother, Roy S. Leaman, who died January 9, 1913.

The grief that fills my sorrowed heart Is mine alone to know; I gave my darling boy to God today three long years ago. I shed for him sweet memory's tear And have my thoughts of love, believing some day he and I will meet in Heaven above. Signed Mother & Sister

(Crease in paper, some letters missing)

\*\*\*Arrested O??? Lea??? Jail

After being r....sed from jail here Saturday and after serving a 3 month sentence for bootlegging, Da... "Buck" Garrett, age 36 years, of near Brooks Station was arrested by Deputy United States Marshall, J. R. Howell on a federal warrant charging the same offense. He will be given trial in the United States court Wednesday.

\*\*\*Frankfort

Live Stock Inspector David Smith spent Monday and Tuesday in Frankfort in the interest of the bill to reimburse owners who had stock destroyed in stamping out Foot and Mouth Disease, and other measures pertaining to the live stock industry. Senator, J. R. Zimmerman introduced this bill and will make a valiant fight for its speedy passage. Our Bob is one of the ablest and most

popular members of the upper House and this present Senate is some "toppy" body at that. He is a credit to his County and district, absolutely honest, strictly moral and an untiring worker. Bob Zimmerman has worked longer and accomplished more for the welfare of his fellow man, his party and his state and asked less and consequently received less than any other public man in Kentucky.

Hon. J. W. Snider, our Representative from Spencer, is a man of pleasing personality - a looker and mixer - an up-to-date businessman without any of the earmarks of a new member at all and should make good without half trying. Prof. Jack Sander's father, R. M. Sanders from Taylor, is a member of the Senate and Miss Mary Hall, our accomplished primary teacher, has an uncle in the House. Then there is Johnnie Buckman, Head Janitor in the Senate, to see that everything is kept in order, and John Bell, of the Insurance Dept., our slow Hess ???, who will make the judges "take notice" in any old showing, and all in all, Old Bullitt can feel that she has "purty" big kinfolks all over Frankfort.

\*\*\*Same Old Story

Didn't know gun was loaded.

John Sloan, aged 16 years old, of Knox County, accidentally discharged a rifle, the bullet going through the heart of Philip Beeler, aged 58 years, a farmer of near Beech Grove, killing him instantly last Saturday evening, Jan. 8<sup>th</sup>. Geo. Beeler, and son had been out hunting. When he returned, he let Slone have the

gun to look at, telling him it was not loaded, when it went off killing his father.

Mr. Beeler was well-known in that neighborhood. He had been a member of the Baptist Church for more than two years. After funeral services conducted by Rev. McCormick, his remains were laid to rest in the family burying ground.

\*\*\*Mt. Washington

Prof. H. H. Cherry, of Bowling Green, will lecture at the M. E. Church Friday at 7 p.m.

Polk Herin has returned to Louisville and is working at Belknap hardware store.

James Brookshire and family moved last week from Glasgow to the property he recently bought from G. D. McKenzie.

Mr. and Mrs. D. T. Mothershead spent Sunday with J. W. Harris and wife.

Mr. and Mrs. Bert Hall entertained the following guests to dinner last Friday evening at six o'clock: Messrs and Mesdames H. H. Hall, J. C. Gentry, Stuyler Harris and T. H. Parrish and Mr. W. H. McFarland.

Miss Carrie D. Taylor visited her parents, Mr. and Mrs. Richard Taylor, last week. She graduated as a nurse New Years Day, after a three year training course. She will leave shortly for Tampa, Florida to visit her brother, Dr. Joe Taylor and to accept a position.

Mrs. Samuels died very suddenly last Tuesday at the home of her daughter, Mrs. Nathan Polk. She

\*\*\*Ira A. Griffin

When the impenetrable shadow of death's long night gathered about

the couch of Ira A. Griffin, and the silent messenger called him away from the busy scenes of life, Bullitt County lost one of her best and most useful citizens. His character was beautiful to look upon; his life was as an open book; his heart was as kind and as generous as ever beat in human bosom.

Modest and retiring in disposition, honest and upright in all his dealings with his fellow man, and true and faithful to those dependent upon him, he was loved by all who knew him.

Young in years, industrious, ambitious and capable, he had, by strict application to his trade, become one of the very best carpenters in Bullitt County. Happily wedded to the woman of his choice, domiciled in a new home built and fashioned by his own genius and hands, his life was filled with the golden sunshine of happiness, when the dark and depressing shadows of disease fell across his pathway and filled his life with gloom. For three years he fought with all his strength and determination against his last and most terrible enemy, and at last after a prolonged and heroic struggle was forced to yield - to Death. Peace, Sweet Peace to his ashes; sweetly may he rest after the sorrows and pains of his last days, and beyond the ken of mortal eyes may he find a home where disease comes not, and the shadows of death are not known. A friend.

The Sound of the Hammer is heard among us as Mr. V. O. Gaban is having a new barn built on his farm occupied by Nick McCubbins.

Mr. John Shoemaker and family have left Echovale, have gone to Belmont to reside.

Coy Wilson seems to have some serious thoughts lately of "The girl he left in sunny Tennessee," judging by appearances.

The parcel post Santa Claus was very good to us at Christmas, delivering many packages, the loving thoughts of dear ones far away.

William Madden, cosmopolite and traveler still abides in this neighborhood, the erstwhile guest of his sister, Mrs. Eliza Miller.

"Uncle Charlie" Engle and Charles Lee, two familiar figures of this vicinity, passed our domicile New Years Day, an event.

Let us have more moonlight school and consolidated rural schools. Thus shall the demon of illiteracy be cast out from Kentucky.

\*\*\*Our county jail is a disgrace to the citizens of our County and a menace to the health of our community. Jails, I admit are necessary evils, but it is not necessary that they should be

poorly ventilated and unsanitary. In fact, Shepherdsville has outgrown the little hut behind the court house known as the Bullitt County Jail. A citizen.

### \*\*\*Meteor Passes Over

The early risers here Wednesday morning at about 5:30 witnessed one of the largest meteors that ever passed through here. It looked like a ball of fire about the size of a small hoghead with a tail about 150 yards long. It passed from southeast to northwest. From reports, it was first seen in Virginia and last heard of in Western Ohio. It traveled at the rate of 30 miles a second or 1800 miles a minute.

\*\*\*Kentucky Leader in Good Roads

Began building macadamized roads as far back as the Eighteenth century.

In 1908, the General Assembly of Kentucky passed a Constitutional Amendment permitting the State to lend its credit to the Counties for road building and maintenance.

Kentucky was one of the first states in the union to establish state aid for road construction. As early as 1810, the General

Assembly of Kentucky provided for the opening of roads to the Virginia line and began the construction of macadamized roads in 1820.

Prior to 1840, Kentucky had spent more than \$2,000,000 in the construction of macadamized roads which were built on rights of way sixty feet wide. These roads were located on light grades and easy curves, and were graded twenty-four to thirty feet between ditches. Telford foundations between sixteen and twenty-four feet were used with a good macadam surface. This work was under the supervision of a state engineering department, consisting of a state highway engineer, at a salary of \$5,000 per year, with a corps of assistants at salaries ranging from \$1,100 to \$2,500 per annum. Many of these roads are yet in a splendid state of preservation, and are rendering substantial service in the communities through which they pass.

However, the policy of internal improvement was discontinued prior to 1850, owing to the financial condition of the treasury, and a change in political parties, and it was not until 1908 that any attempt was made to revive a state system of highway.

\*\*\*Educational Jottings

The last Common School Diploma Examination for 1916 is being held here this week by Ora L. Roby and his efficient Board of Examiners, Mrs. Glenn and Miss Hall.

The County School Board was in session Monday and besides allowing several claims, approved the plans and specifications for the new school at Mt. Washington.

Mr. J. R. Ball, well known contractor of Zoneton, was awarded the contract for building a school for colored children near the Harry Wells farm for the sum of \$327.00. Mr. Ball has built several school houses in this county in recent years and all have been very satisfactory.

The County School Board last Monday appointed the following committee to meet May 15<sup>th</sup> to revise the School Rally program for 1916. Jasper Pearl, Mrs. Jas. Pope, Miss ?????, Bertha Engle and Miss Mary Collins.

Supt. Jas. Payne and Mrs. Payne of Hardin County are the proud parents of a fine boy, born May 5<sup>th</sup>. Mr. Payne is serving his first term as County Superintendent of

Hardin County Schools and we hear splendid reports of his work in our sister county.

Mr. and Mrs. Herman Shepherd, of Belmont, were called here Sunday night to see her mother, Mrs. Geo. Weller, who is seriously ill.

The play given at Mt. Washington Tuesday evening by local talent here was quite a success and a nice sum realized, a good per cent of which goes to the new school building at that place.

Miss Verna Funk, of Brooks, spent several days recently the guest of Mr. and Mrs. Conrad Maraman.

The school trustee election here was very quiet and only a few dozen patrons came out to vote for the old trustees, all of which were re-elected without opposition. The trustees elected here were Otis Russell, S. B. Simmons and J. D. Buckman.

Belmont - No election. John Hill appointed.

Bardstown Junction - Edd Sutton and Emmett Stansbury.

Lebanon Junction - Chas. Westerfield and Frank Jackson.

The teachers examinations for whites will be held at the Court House May 19 20.

\*\*\*Democratic call meeting.

Be it resolved by the State Executive Committee of the Democratic Party of Kentucky in session assembled in Louisville, Kentucky, on April 14, 1916, upon call of the Chairman of said Committee, the Hon. S. W. Hager (a quorum of said Committee being present in person) that a

Democratic State Convention be held in the city of Lexington, Ky., on Wednesday, the 14<sup>th</sup> day of May, 1916 at 12 o'clock noon for the purpose of selecting delegates to the Democratic National Convention to be held at St. Louis, Missouri, on June 14<sup>th</sup>, 1916 and for the purpose of effecting the Party organization.

Second: Delegates shall be selected to said State Convention on the basis of one delegate for every 100 votes and fraction over ??? cast by the Democratic Party of Kentucky at the Presidential election of 1912, which delegates shall be selected in Mass Convention to be held at the Court House in each and every county in the state at the hour of 1:30 p.m. on Saturday, May 20, 1915. (Sic)

Provided, however, that in counties having more than one legislative district, they shall meet in Mass Convention in their respective legislative districts at the hour of 2 o'clock p.m. on Saturday, May 30, 1916, at a place to be designated by the Chairman of each legislative district, and said convention shall be called to order and held in the manner provided for by the Party law.

Third: All known Democrats and all minors, who will be legal voters at the November election, 1916, and declare their purpose to affiliate with the Democratic party, are declared eligible to participate in said Mass Conventions and to be elected delegates to said State Convention.

Signed S. B. Simmons, Chairman Executive Committee of the

Democratic Party of Bullitt County. Attest: C. E. Wright, Secretary.

Throughout the world, the 300<sup>th</sup> anniversary of the death of William Shakespeare was observed the past week. One American judge took the occasion to decide that Lord Francis Bacon, and not William Shakespeare, wrote the plays called Shakespeare's. The question came up in a publisher's lawsuit. This is an old claim made many years ago, by descendants of Bacon, and by others. Most literary critics do not accept it. The evidence that a man of Shakespeare's limited opportunities could not have written that is rather strong, but the evidence that Bacon did write them is extremely weak. Bacon's known writings do not have the least semblance to the plays. It does not matter much. The man the world means when it says "Shakespeare" is the man, whatever his true name may have been, who did write these plays.

\*\*\*Delightful Entertainment

High School "Juniors" entertain "Seniors".

On Friday night, the 5<sup>th</sup> inst, one of the most thoroughly enjoyable entertainments of the season was given by the Junior Class of Shepherdsville High School at their school building in honor of the Senior Class as a sort of prelude to the near approaching commencement exercises.

About 8 o'clock, the Juniors, composed of the following young ladies and gallant young men, viz: Misses Laura Daniel, Mary Kirk,

## Pioneer News 1916 - 1917, J. W. Barrall, Editor

Transcribed from microfilm by Edith Blissett in 2003.

Thelma Lee, Lula Cook, Lula Ashby, Lucille Wooldridge and Mary Bell; Messrs Roy Childers, Ralph Henderson and Buren Hardin, all tastefully arrayed in evening costume, assembled at the main door of the new Gymnasium and welcomed their arriving guests with cordial smiles and easy grace that would have been a credit to veteran society belles and beaux and that made every one feel easy and at home.

The program for the evening opened with a grand march, to delightful music on the piano rendered by Miss Mayme Stephens of the Seniors, which was followed by ??? contests conducted by Miss Bessie White, one of the schools accomplished teachers, who as mistress of ceremonies, with easy grace and charming manners, proved her excellence as a hostess as well as a teacher and made the evening one long to be remembered by all present.

An old fashioned Virginia Reel was another charming feature of the entertainment, which wound up with an elaborate and excellent supper, beautifully served in one of the recitation rooms, that was thoroughly enjoyed by everyone present and kept the merry throng till long past the midnight hour.

Prizes awarded in the guessing contests, consisting of delicious boxes of candies and confections, were won by the following: Dr. Bates, Mrs. Sanders, Misses Mary Hall and Lula Ashby.

The Seniors, guests of honor, consisted of Misses Mayme Stephens, Nancy Jeffries, Lillian Thompson, Bertha Trunnell,

Grace Griffin, Neva Magruder, Willie May Ridgway, Clara Lynn Funk, Sylvia Phillips and Sara Jane Buckman, who will soon appear before the public in their graduating exercises. For beauty, grace and charm of manners, we challenge the State of Kentucky to furnish ten fairer or finer ones.

The entertainment was given to establish an annual event which we trust will continue for many years to come – in fact, as long as the High School lasts.

Following is a list of those present and enjoying the festivities, in addition to the two classes above named.

Mesdames Lora Lee Bates, Conrad Maraman, Jack Sanders, Dora Harris, Misses Mary Collins, Mary Hall, Stallings, Nancye Trunnell, Lillian Pitman, Evelyn Bates, Nadine and Fanny Belle Melton, Elizabeth Weller; Messrs Harry Weindel (sic), Ernest Miller, Chester Hardin, Neil Brooks Jr, C. F. Troutman Jr, Albert Kulmer, Jesse Ice, Layton Ashby, Millard and Woodford Troutman, Dr. Bates, Prof. J. H. Sanders, Nat Maraman, E. E. McCormick, John L. Sneed, J. R. Zimmerman, James Lee Williams, Jas. Collins Jr and T. C. Carroll.

### \*\*\*Baseball

The Jeffersonville baseball team motored down to our town Saturday and played the local team here in what we consider a first-class game, defeating our boys 5 to 4.

Hagan pitched a good game but his support was at times not so good, this being the first game this year. Most of the team need practice, but the main reason we

lost is that the Hoosier team has a pitcher names “Jinx” who by the way is some pitcher and the best batters on our team fanned out.

Our boys lined up as follows, which should bring a victory to most any other game.

Hagan and Bridwell, batteries; Herps, Sanders, Winedell and Bullock, infielders; Crenshaw, Shields and Lee, outfielders.

The feature of the game besides the good pitching on both sides, was the playing of Shields in outfield who covered the entire center field and played his position like a big leaguer.

The ordination service of Harvey and Hillary Burns at Bullitts Lick Sunday were largely attended. A large crowd from Louisville were out. Services were conducted by Bro. Albritten and Myers, of Louisville. Both are good speakers and workers for our Lord Jesus. Both brothers passed the examination fine and would it be that old Bullitt could send out more just such soldiers to win souls for Jesus, and tell the lost of their faith, as we go out and see so many young men who are letting their time pass and doing nothing for Jesus, and when the last day comes, they will cry for the rocks and the mountain, they will pray but their prayer will be too late. Young men, now is the

When the odor of the mint bed  
steals across the balmy air;  
And you know there's  
something doing in the party  
over there;  
Then you welcome back the ice  
man and you hunt a glass  
and spoon;  
And you soon are busy mixing  
to the Rose and Julep Tune.

First you crush the mint  
delicious till the odor fills all  
space;  
Then you add a little water and  
of sugar, just a trace.  
Break some ice in little  
nuggets, just enough to hear  
it click,  
Then you fill the glass with  
Clermont and you're ready  
for a drink.

Then you close your eyes and  
sip it till you hear the birdies  
sing;  
And a thousand pleasant  
fancies into active being  
spring.  
And you swear that "Old  
Kentucky" is a place of  
perfect bliss.  
For there's no where that you  
know of that can measure up  
to this.

\*\*\*Editorial - War

It seems that all danger of war with Germany has passed. This is as it should be. Looking the situation in the face, measuring all distance, sounding all depths and heights, we can see no reason for war. When, where, why and how should we fight Germany. She is there, we are here. For more than twenty months, nations living right in German's front, side and back doors, have been battering away with huge armies and big guns, trying to force,

strategy and otherwise to land on German soil, and are not there yet.

Can we do any better? Shall we declare war, load our big transports with soldiers, start them across the Atlantic only to have them sunk by German submarines? Shall we send hundreds of thousands of our best and bravest young men across the seas to risk death by submarines and torpedo boats and mines? And if they escape that, to die in the trenches? And just suppose they should escape death in all those ways and should help the allies to conquer Germany, when the spoils were divided, what would we, what should we get? We would not want a part of the German Empire, nor a part of colonial possessions in Africa. What would we get out of such a course? Regardless of where our sympathies lie, we cannot agree with the brave kickers and paper heroes that we should declare War on Germany. It is a case were we have all to lose and nothing to gain, and the hot-heads who are demanding a declaration of War would hide under the bed if war were declared. Woodrow Wilson has looked the matter full in the face, and his course is that of a sane, considerate President who loves his country and countrymen.

concrete sidewalks are being constructed.

We love to sing the praises of those who deserve praise, and in this instance feel that our board of trustees should have a few words of commendation.

The world has a way of cursing a man as he is alive and then praising him as long as he is dead, or at least until his memory has passed from the mind of the oldest citizen, and faded out of the pages of local history.

"Teddy or the Runaways" sure made the people a pleasant evening. The show was fine and the actors were hard to beat. Texana was complimented on all sides and all were given the highest praise. We heard some one remark that the ladies rendered their parts better than the men, and another said that was to be expected, for when they took part in anything together, the ladies most always come out ahead. It was a man who said it, too. The crowd was large and about \$57 was taken in. The Maccabees and the Booster Club will receive a per cent of the profit.

The Log House in the Kentucky Hills.

I close my eyes to dream again of the old school house among the hills and memory brings back the joyous faces of those whom I loved as school master there. The

merry romping Sarah, whose heart was gentler and better than her manners, the face of the gentle Ella, who has long lain in her grave, leaving three motherless babes, the bright smile of the red-headed James, who was ever my favorite of the boys, and last but not least, the manly young teacher, who was only eighteen at the time, and whom more than half the girls were in love with. The shady grove on the hillside are fresh in my memory yet and I fancy I can hear again the merry laughter of the children at play. All have gone now, some the "the silence of the dreamless dust", some to foreign lands, some have gained fame and fortune, others still plod on the same old farms of their fathers as happy perhaps as those out in the world battling for an uncertain hold on Fame.

Our teacher is now a husband and father. He has left the log schoolhouse many years behind and has held responsible and important offices and is an ardent temperance worker, still teaching the principles of honor and truth as he did in his school. Sarah, who always vowed to never marry, is the wife of a prosperous farmer and the mother of a beautiful girl. She wrote me once, on the eve of her marriage, "You know that we always said we never would marry and I thought I meant it, but the right one had never come. He has come for me now and I hope will for you some day." (And he did)

I found my happiness for many years in the instruction and care of little children, for I was a "Kentucky school Ma'am" and their lives are to my mind, as noble and self-sacrificing as any

Sister of Charity. I am not speaking of the girls who took up teaching as a means of buying finery until they marry, but of the devoted class of women who give all their best years to the work, with heart and soul. The world calls them "old maids". I call them "God's Mothers", for next to the joy of having your own baby's arms about your neck, is the joy of leading other little one "aright and gaining their love".

Kentucky teachers and schools have been decried by those of more fortunate States in educational matters, but from the log school-houses have come forth earnest, pure-souled men and women of whom the world needs more. They know not so many of the "ologies and isms" of higher education but they had what is the "peach of great price" in their lives - Truth and Honor. When the call for great leaders comes, they do not come from the city, but have had rugged character developed among the hills.

I believe God calls his leaders like the hills and the valleys .... David, the Shepherd of old.

The log school house is passing away, giving us as we believe and trust, better things yet to us of that generation, even though we set our faces towards progress for the sake of our children, it is a joy to recall those days, when Nature was ever entrained (sic) by the thoughts of Greed and Gold, as is so much today.

New occasions teach new ....  
Time makes ancient good .....  
We must upward still and upward. Who would keep abreast of Truth.

enter school here Monday preparing for a State Certificate.

The committee recently appointed to revise the school rally catalog for this year met here Monday and appointed the following general superintendents for the various contests.

Floral Hall contests - Mrs. J. W. Pope.

Mental contests - Mrs. J. R. Sanders

Athletics contests - Charles Bridwell.

Several slight changes were made in all contests, all the good superintendents re-appointed and one entirely new feature added in Floral Hall and one in the Mental contests.

The Floral Hall feature being a class or department for watermelons, peaches, corn, apples, potatoes, etc grown by any school child, while the day is to finish with a written spelling contest opened to every citizen of Bullitt County in which 40 of the hardest and most practical words will be given. The list to be prepared, sealed and mailed here by some scholarly person of Louisville, Lexington or Frankfort.

Look up your "blue backs", pupils of the old school and let the young folks get their melons and farm products planted early and make this an interesting feature for Saturday, Oct. 7, 1916.

\*\*\*The Sage of Bullitt

When I was practicing horse medicine with my partner, Doc Smith, I got all stuck up and wouldn't speak to John Quick and such fellows, but I could not get along with Doc, and had to dissolve the partnership and now I speak to just anybody.

It is human to be that way. When a man is riding on the top crest of prosperity's waves, he just naturally has a swelled head, but when he loses out and begins to look a little common, his head dwindles down at a terribly rapid

rate.

It's a far cry from chicken and French rolls to corn bread and molasses. Speaking of Doc Smith reminds me of what a fellow said last week, but I can not say it in print, for Uncle Sam might send after me.

For the past few days, I have been Superintending. Just superintending, that's all. Jay has been doing the work while I superintended. It is much easier to superintend than work, and I have been conversant with that fact for years.

Hez McKinney was great on superintending, and I think I caught it from him, for he had a bad case of it, sure.

\*\*\*The Only Graduate

Miss Amelia Stinger will graduate from the Lebanon Junction High School next Wednesday evening, May 24. She is a brilliant young lady with a great future before her. The school and her parents are very proud of her fine record in school here, but she is not satisfied with only a four year high school course for her preparation for life, so she expects to enter college next year. We wish all our beautiful young ladies were so ambitious for a good education. The subject of her graduating oration is "The Happy Home."

Rev. S. H. Bell, pastor of the Baptist Church here will preach the baccalaureate sermon Sunday evening next. Prof. J. S. Dickey, president of the Bowling Green Business University, will deliver the class address at the Masonic Hall, Wednesday evening, May 24, at 8 o'clock.

### \*\*\*Neil Beghtol Passes Away.

Neil Beghtol died at his home near West Point, May 16 of la grippe. He leave a wife and two daughters, Mrs. J. V. Fletcher of West Point and Mrs. Carrie McGuire of Chicago, Illinois. He was born 67 years ago on Knob Creek near Barrallton where he spent most of his life. His remains were laid to rest in the Knob Creek Cemetery Thursday at 11 a.m.

### \*\*\*Mrs. Weller Passes Away

Mrs. Finetta Weller, wife of George W. Weller, died at the family home in this place last Wednesday evening after an illness of ten days. The direct cause of her death was a stroke of paralysis which she sustained about ten days ago.

Mrs. Weller was about 69 years of age. She was married to G. W. Weller about four years ago. Before her last marriage, she was the widow of the late Samuel Shepherd, who died about ten years ago. Mrs. Weller issurvived by her husband and the following children: Herman Shepherd, of this county; Mrs. Ida Bishop, Mrs. Warren Foster and Casper Shepherd, of Louisville, and R. A. Shepherd, of Chicago. She is also survived by one brother, Dr. John H. Shafer, of this place and many grand children.

The death of Mrs. Weller removes from our midst a good wife, mother, neighbor and friend. In her home she was industrious, affectionate and faithful. She was a loving and indulgent mother,

and her whole married life was spent for her husband and children. As a neighbor, she was kind and ever ready to lend a helping hand in time of distress.

The greater portion of Mrs. Weller's life was spent in the vicinity of Bullitt's Lick, where during the life of her first husband, her home was always open to the many friends who visited there.

Her remains will be buried in Bullitt's Lick Cemetery today (Friday). Rev. B. W. Hardin, conducting the services.

To the sorrowing husband and children we extend our deepest sympathy. The loss of a mother cannot be known except by those who have sustained it, and beside it, all other losses seem small indeed.

### \*\*\*Big Cattle Deal

W. T. Lee, the largest cattle dealer in the county, sold 400 head of cattle which he was feeding at Schapeze (sic) Tuesday to a Indianapolis firm at \$8.15 per hundred, weighed at pen. The cattle will weigh about 1,000 pounds per head and will bring Mr. Lee Between \$36,000 and \$40,000. This is the largest deal that has been made in the county for a long time.

### \*\*\*The White Rosette

The White Rosette, a five reel romantic drama of the middle ages and modern times to be shown at the Masonic Temple, Saturday night, May 20, at 8 o'clock, is one of the highest class motion picture subjects made by the Mutual Film Corporation. The acting is

splendid, the furnishings are luxuriously fine and the scenery grand in the picture. One reel of comedy also will be run. Admission 5 and 10 cents.

### \*\*\*Reception

On the evening of May 12, the citizens of Shepherdsville and community met in the Big Gymnasium of the High School Building to participate in the grand reception given by the Normal Class of 1916.

On entering, one was thrown into raptures over the decorations, which consisted of ferns, pot plants, smilax and snowballs and the bright faces and charming manners of the young teachers.

Promptly at 8 o'clock every one was called to order by Prof. Sanders and formed into line for a Grand March, after which there were contests of various kinds. Skip, the old fashioned "Skip to My Lou" and Virginia Reel. Names of winners on contests are Mrs. Lora Bates 1, Robert Barger 1, and Miss Lounette Stansbury 2.

A bounteous repast of cream, cake, fruit and punch, which added greatly to the enjoyment of the occasion, was served at 11 o'clock. After this, addresses were made to the class, which represented Jefferson, Taylor, Hardin, Marion, Casey and Bullitt Counties in the following: Messrs Carroll, McCormick, Ridgway, Glenn, Smith, Maraman, Cochran and Dr. Bates.

It was with a feeling of regret that they all said good-bye, but went away singing praises to Prof. Sanders and his Normal Class.

Your humble writer has but one

\*\*\*Catarrh Most Prevalent Here

Probably the most distressing and prevalent disease to which Americans are heirs is catarrhal affection of mucous (sic) membranes. According to the medical authorities, the indoor worker is more susceptible and is the worse sufferer from catarrhal conditions, of which there are many kinds.

Catarrh of the stomach and kidneys is one of the most common causes of dyspepsia and Bright's Disease, and catarrhal conditions of the nose and throat often lead to deafness. Nine out of ten cases of deafness can be traced to catarrh, it is said.

Frequently, the lungs become affected by the extension of catarrhal inflammation by way of the bronchial tubes to the lung substance.

The mental and physical state of the catarrh sufferers is, indeed, very unfortunate, and it is surprising to know what an immense number of people among those who reside in such cities as Shepherdsville, Ky are suffering from this almost universal malady when they believe something else is the cause of their trouble.

The symptoms of catarrh are offensive breath, constant sniffing, discharge from the nose, headaches, full head, pains in the stomach, unsound digestion, loss of appetite, broken sleep, and a great liability to catching colds and sore throats.

Tanlac, the general reconstructive tonic, was designed to relieve just these conditions. Thousands of men and women have unhesitatingly acknowledged the benefits they have derived through this Master Medicine.

Tanlac restores lost appetite, relieves sniffing, discharge from the nose, headaches, and stomach pains and will assist in the assimilation of food and bring back sound sleep, according to thousands who have realized the benefits from this wonderful preparation.

Tanlac is a tonic of rare properties, an appetizer and general invigorant designed to rid the system of congestion, tone up the stomach, overcome indigestion, headaches, backaches, nonassimilation of food, nervousness, dizziness, ailments of the kidneys and liver, and the complaints that are so common to the half-sick debilitated men and women of today.

Tanlac may be obtained now in Shepherdsville, Ky at the Troutman Bros. Drug Store, where it is being especially introduced and its merit explained by the Tanlac Man.

Tanlac may be obtained in the following near-by towns. Mt. Washington - The Cyclone Store; Lebanon Junction - Murray & Jenkins; Boston - Boston Drug Co.; Colesburg - Brain & Padgett; Meadow Lawn - Meadowlawn Drug Co.; Stibbins - Brown & Funk; West Point - W. Among those from this neck of the woods who witnessed the ball game at Shepherdsville Saturday afternoon were Richard Duvall, Chas Muir, Virgil Duvall, A. G. Shields, Jas. Hagan and James Hahn.

Miss Claudia Duvall took the High School entrance examination at Shepherdsville last week.

The question of annexing Hobbs and Chapeze will be taken up at the next regular meeting of our city council. Unless Chapeze consents to get rid of her Dollar

Valley (100 scents in it) and Hobbs reduces its drainage system, there is certain to be some opposition to the measure.

Mr. and Mrs. James Hahn, of Bardstown Junction, entertained the following guests to dinner Sunday, G. C. Duke and family, and Hardy Cruse and family.

Ben Grinnell was at Bardstown Junction Sunday and attended the colored baptizing.

Warren Shaw, the horse inspector, was out Sunday trying his new plan for telling the ages of horses.

A new brand of booze has made its appearance at the Junction. It makes the imbiber see 2-1/2 times, whereas the old variety only causes double sight. James Hall, having bought two pigs from Jacob Laniger and having gone out boating with him before taking his purchases home in a sack, upon arriving and opening the sack, demanded to know where his other three pigs were, saying he had bought five.

### \*\*\*Educational Jottings

In the recent Common School diploma examination, Miss Claudia Duvall, of Clermont, led the class with Miss Martha Lee, of Belmont only a few points behind.

Miss Duvall has been well prepared by Miss Melton and Miss Ice as her teachers, while Miss Lee is a pupil of Miss Van Meter, and spent a few weeks here before the examination.

Both are bright, studies (sic) young girls and will no doubt enter high school the coming term.

On the above examinations, 29 passed and 12 failed to make the necessary grades.

The following students took the white teacher's examination here Friday and Saturday: Stanley Wise, Mattie Funk, Myrtle Achors, Edyth Clark, Ida Greenwell, Gladys Welch, Louise Monroe, Leslie Herps, Lounette Stansbury, Blanche Masden, Ella Jenkins, Blanche Jeffries, Mary Bell, Fanny Melton, Margaret Hardesty, Alma Forest, Lena Ice, Nadine Melton.

The Baccalaureate sermon was preached to the 10 young lady graduates here Sunday by Rev. Ryan, thus beginning one of the greatest weeks ever seen in Shepherdsville and will probably be the beginning of a new high school area in this community.

The town of Lebanon Junction has also put on her best dress this

week although only one young lady finishes there this term.

The School Board met at Belmont Monday night and elected the following teachers for this year: Miss Tea Hays, principal; Miss Peachie Thompson, assistant.

Mrs. C. C. Daugherty, member of the County School Board, has just purchased a new automobile.

Little Junior Stout, a ten year old pupil of the Sugar Valley school was kicked by a mule last week and his skull crushed just above the left eye. Strange to say, he may recover, as he was rushed to the city and an operation performed at once.

Miss Ruby Carlin, of Whitfield, was recently married to Dr. Furnace of Waterford, Ky.

The bride is well known in that part of the county, is of a very prominent family and at one time taught her home school one or two terms.

The Shepherdsville Graded School Board met last week and elected all the old teachers for another term and will probably put in one new room by September.

The list so elected are as follows: Prof. Sanders, Miss White, Miss Stallings, Miss Raymond, Miss Collings, Miss Hall. Everybody in this school district is pleased, nobody's kicking for the same trustees and the same teachers are all recalled and the tax by the way is gradually getting smaller and school getting larger.

Can you beat it? If not, then move over next fall and "jine in".

Miss Mary Parsons, of Leitchfield, with Mrs. Stuyler Harris.

Mr. and Mrs. Miller of Loretto and Mr. and Mrs. Wesley Miller, of Springfield with Rev. and Mrs. D. R. Peak.

Those who came for only one day were Mr. and Mrs. J. F. Combs, Mrs. C. F. Troutman, Miss Mary Palmer Combs, Mrs. Howell Smith, C. F. Troutman Jr of Shepherdsville, Mesdames J. C. Showalter, Mac Borders, and Miss Kathryn Jones of Louisville, Mesdames J. B. Reid, Oscar Hawes, W. A. McCrocklin, and Miss Elizabeth Reid, of Fern Creek. A large number of preachers and delegates were entertained. Reverends R. O. Penick, of Hodgenville, B. W. Hardin of Shepherdsville, T. J. Wade of Irvington, and E. P. Deacon of Big Springs, were accompanied by their wives.

The District Conference was certainly a blessing to all who attended each day afforded some new entertainment for thought and study. Sermons were preached by the following: Dr. H. C. Morrison, Rev. J. L. Reid, of Sonora, Rev. T. J. Wade of Irvington, Dr. F. M. Thomas of Louisville, and Rev. Charlie Crowe of Brandenburg and short addresses by the following visitors: Dr. Repass, President of Logan College at Russellville; E. S. Boswell agent of the Methodist Orphans Home and Rev. A. P.

Lyon, presiding elder of Louisville district. I have neither words nor space to tell of all the good things enjoyed through the week. \$800 was subscribed by free will offering for the support of missionaries in the foreign field. A plenteous dinner was spread each day in the Maccabee Hall, amply sufficient for the crowd assembled and timidity was the only hindrance to everyone getting a square meal.

### \*\*\*Big Revival Meeting

Shepherdsville's big revival campaign will open Sunday June 4<sup>th</sup> at the Methodist Church. Denominational Forces will combine and centralize their efforts on the one main objective: To give men and women a clear vision of the "unsearchable richness of Christ".

### \*\*\*Good Work on Streets

The Town Board are doing some good work on the streets. All the low places have been drained so no filthy water will stand on the street. Commencing at the new town limits on Bullitt's Lick Road, they have made a new street to the depot and from the Fair Grounds to the river and out Second Street to the underpass. Altogether, there will be more than 1000 yards of rock in all used. Mr. W. A. Cook has the work in charge and he with the town board are to be complimented for the good work for when the taxpayers get such good value for their money no one will or should kick. So let everybody help and we will have one of the best towns in the State.

Prof. H. T. Gibson, Principal; Miss Fanny Belle Melton, assistant.

Miss Melton is well known here and is a bright studious young lady while Mr. Gibson who lives at Wilmore, KY, come well recommended and holds life certificate issued by the State Department at Frankfort, Ky, which is the only life diploma of its kind recorded in this office except the one issued a few years ago to Miss Nora Bridwell of Solitude.

### \*\*\*Home Coming

About the best affair we have attended in years was the Home Coming at the Masonic Temple on the evening of June 1<sup>st</sup>. It was the second annual, was largely attended and fairly bristled with attractive features. The instrumental music was furnished by Miss Ida Charles and Mary Elizabeth Carroll and Miss Austine Brooks and Mr. C. E. McCormick, while the vocal music was furnished by Dr. Bates, Mr. Everette P. Rogers and Prof. Sanders.

Tot Carroll was toast master at the banquet. Lindsay Ridgway delivered the address of welcome.

T. J. Adams, Grand Master of Kentucky, was introduced and made a lengthy address.

Major John H. Leathers, of Louisville, who has been Treasurer of the Grand Lodge for thirty odd years spoke feelingly of Shepherdsville in the olden days.

He visited here fifty years ago and knew the fathers and grandfathers of the present generation.

Then W. B. Maple spoke, a witty, humorous speech. One of the pleasant features of the evening was the singing of Mr. Rogers, formerly of Chicago, but now of Louisville.

Rev. Barrett is still our pastor. He was the recipient of the great honor of being selected for pastor for another year. He filled his appointment Sunday and Sunday night. Quite a crowd attended.

Old Belmont is somewhat lonesome now since school has closed and all the bright girls and intelligent boys have returned to their many homes for the recreation of their long vacation. All are eagerly looking forward to the time when the bell will call the "chills" from their play to duties of study.

In the recent common school diploma examination, the successful applicants from near here were T. S. Shepherd, Blanche G. Engle, Martha Lee and Garnett Masden. These young students deserve our heartiest congratulations. We desire to see all of these enter High School the coming term.

Mrs. C. A. Hill and little daughter, Anna Lee, attended the commencement exercises in Shepherdsville Friday night and were the guests of Mrs. Clarence Dawson.

R. F. Davis has recently purchased a Ford machine and seems to be an excellent chaffer (sic) as he has escaped any serious accidents so far in his freshman year of autoing.

A number of young folks assembled in the beautiful home of Mr. and Mrs. Lee Bradbury Saturday night and were very pleasantly entertained by music, both instrumental and vocal. Mrs. Bradbury is a most excellent pianist and both Mr. and Mrs. Bradbury are exceedingly

popular, especially among the young folks. Those present were Misses Blanche and Bertha F. Engle, Martha, Myrtle and Beulah Lee and Virginia Bradbury, Messrs George and Stanley Bradbury, Stanley and Jeffie Lee, Prof. T. B. Lee of Pitts Point, Lindsay Engle, Wm. Thomas and Rusaw Engle.

Mr. and Mrs. V. O. Gaban and son motored from Louisville Saturday night and were guests of Mr. and Mrs. Lee Bradbury. They were accompanied by John Boyd.

Miss Tea Hayes will have charge of the advanced department of Belmont Graded school for the term of 1916-17. Miss Peachie Thompson will teach the primary folks again. Both are splendid instructors and the citizens of this town are anticipating a regular revival of the "Art of Learning".

Dorsey Hecker spent Sunday afternoon with Frankling (sic) Armstrong.

Misses Bernice and Lillian Lloyd, Inez Bishop, Talmage Lloyd, Waldo Gentry and others were guests Sunday of the former's aunt, Mrs. Will King, near Mt. Washington.

Mrs. Nancy Peacock passed away on the evening of June 4, 1916. She was a Miss Richey, born July 12, 1845. At 18, she joined the Baptist Church at Kimlin, Scott County, Indiana. At 26 years old, she was married to Mr. Devier, who preceded her to the grave. She lived a widow until Dec. 16, 1897, when she was married to G. W. Peacock, who survives her. She united with the Pleasant Grove Church after she came to this neighborhood and was in attendance as long as she was able. Death was caused by cancer of the eye, of which she was a great sufferer for a long time. She was patient and bore it calmly to the end. She leaves to mourn her loss, a husband, a daughter of Indiana, one sister of Okolona, three brothers and friends. Deceased was 71 years old.

Funeral services were conducted by Bro. McCormick. The text was 107 Psalms and 80<sup>th</sup> verse "then are they glad because they be quiet; so he bringeth them unto their desire in heaven". A good lesson was and words of comfort was brought to all after which she was laid to rest in Pleasant Grove Cemetery. We extend our sympathy with many others to sorrowing ones.

In grading up and placing crushed stone upon the east end of Second Street, between the railroad and school house, the board of trustees have shown good judgment. Our school is our biggest and best asset. From a broad view point, it is worth more

to our community than any store or business house in the entire district. It draws people to our town and benefits everybody. In order to have a good school, there must be good streets leading to it. No parent wants his children to wade through seas of water and acres of mud in order to attend school.

When this street is completed and a concrete walk constructed, the approaches to our school will be first class and that is as it should be. Our trustees have shown fine judgment in this improvement, and no man with good judgment can censure them for having made the move.

The above is not the name of a new mule liniment, nor is the name of some Hawaiian society queen, but just the name of a dog. It is the cognomen of a bluish black dog which Clarence Holsclaw and Charles Shoptaw imported from Rabbit Hash, Indiana. It is a mole killer. It does a truck raiser good to see that dog after a mole. As above stated, the dog is of a bluish black color, with pale yellow ears and a lavender effect under each eye, with pink taffeta splotches on his left legs; sharp pointed wasp colored tail and right legs slightly showing the tiger tawn. Dog has a powerful appetite and not the least bit inclined to mince - just swallows the whole outfit.

Besides hunting moles, this dog will tree squirrels, fight groundhogs, chase rabbits and eat grapevines.

Mrs. Nancy Ann Ratliff (nee Mumphrey) wife of the late Chas. Ratliff passed out of this life suddenly Monday, May 29, 1916 at 3 o'clock a.m. of organic heart trouble at the home of her son, Chas. Ratliff, of this place, of whom she has been visiting the past week, her home being at Cane Springs. Mrs. Ratliff was born August 30, 1948, being 67 years, 8 months and 22 days of age and was married to Chas.

Ratliff Feb. 22, 1874. To this union were born six children, five boys surviving her. They are Conrad Ratliff, of Ripley, Mississippi, Frank, Coleman, Gus and Roy Ratliff, all of Cane Springs, Ky. May God bless the heart broken boys as mother was always delighted in all that made them happy and another link has been snapped from the golden chain. One member has left the family circle to return no more and another chair is forever vacant and beyond the dark tides of the mystic river, her spirit is at rest. Besides her five sons, she is survived by two sisters, Mrs. Geo. West, of Springfield, Ky and Mrs. Nelse Hardin, of Loretto, Ky. Nine Grandchildren and a host of loving friends to mourn her loss. The last services were conducted by Rev. McCormick Wednesday, May 31<sup>st</sup> and she was peacefully laid to rest in the family burying ground near Will Shaw's of near Cane Springs, Ky.

Last Saturday, May 26, 1916 at 7:30 a.m., the home of Mr. and Mrs. Tom Hibbs was visited by the death angel and claimed its own their beautiful and sweet little babe, Tommie Lee, of whom was just awakening to a consciousness of those who loved him so dearly, but was taken away so quickly from the bosom of those into whose lives he was so tenderly loved and cherished. While its loving mother was on a short errand to a near neighbor, Mrs. W. H. Nusz, the child made its way through the foot of the bed in which it had been sleeping. Unfortunately, he got his body through the place, but was unable to get his dear little head through and thus hang in that position

until found by his heart broken mother. We cannot understand why this little one was taken from the home in which he was so dear, but our lovingly Heavenly Father deemed it best in his infinite wisdom to call this little "Rose Bud" home. Tommie Lee was born September 25, 1915, being 8 months and 2 days old. He is survived by his heart broken parents, one little sister, both grandmothers and grandfathers and several aunts and uncles, besides being loved by so many other folks. All was done to bring him back to his life but was in vain. So weep not for little "Sonny", he will be a bright shining angel in the resurrection morn. Sunday at 11 o'clock, funeral services were conducted by Rev. McCormick at Cedar Grove, after which he was laid to rest in that cemetery to meet his loved ones.

Death has again invaded our community, taking away with him this time, the sixteen month old daughter of Mr. and Mrs. Wm. Gaddie. She died at 2:30 p.m. Saturday, June 3<sup>rd</sup>, and was laid to rest in Vine Hill Cemetery the following day. Little Teresa May just lingered long enough to entwine herself about the heartstrings of her parents, but though the cords are broken here, yet she is only one more treasure laid up in heaven where neither moth nor rust does corrupt nor do thieves break through to steal. The parents have our sympathy.

Dr. I. T. Houck, accompanied by Dr. Wallace and wife and Miss Flora Jones, of Louisville, came out in their auto Sunday and

Desert and how it has oases in it but we have discovered a territory so dry that it makes Sahara look like mud puddle, namely Chapeze. We visited the aforesaid city last week and even the water was so dry that every time the train passed, some one would have to run to the pump and give a few strokes to keep the cinders from choking the spout, and the only way to get a bath there is to use a little water collected at early dawn from the foliage of the Distillery plant, known by its odor but not by its products, at least by us. Messrs Edw. and Clay Porter, of Bardstown Junction, returned home Monday from Berea College where they have been attending school the past term.

O. H. Harned, trustee at Cane Run school and also road overseer, with the help of his magistrate and road supervisor, gave a big road working last Thursday on the John Hill road near Belmont, leading towards Boston, fully \$250 worth of work was done by the citizens free of charge.

The Lebanon Junction School Board met last week and elected the following teachers:

O. F. Fallis, Principal

E. E. Sutherland, Assistant High School Teacher.

Primary teachers, Misses Lillie Mooney, Amelia Lee Oaks, Loula Basham, Blanche Masden, Lola Hoagland.

In the above list, we find only the names of the teachers who were connected with this school last year, Miss Oaks and Miss Mooney, two of our vest best teachers.

Prof. W. C. Wooldridge has just returned home from Florida where he has been teaching school the past two years.

William Funk, of Brooks, son of Judge A. E. Funk, has just been awarded the \$25 gold metal (sic) given by the Western Kentucky State Normal School for the best orator in that school.

Mr. Funk expects to take up the study of law in the near future and we congratulate him on this excellent start.

Joe Harris, Tom McAfee and W. A. King, of Mt. Washington, were here Monday.

The County School Board met Monday and bought 150 new desks besides fixing the time of beginning all rural schools as follows: First Monday in July, August or September, the exact choice of these three dates to be decided by each trustee.

The salary schedule will probably be fixed some time in July and consideration may be given to experience, number of years taught in succession in the same school, hours taught per day, examinations, as well as qualifications and attendance as in the past years.

Miss Cecil Funk and mother, Mrs. A. E. Funk are spending this week in Bowling Green.

The School Board last Monday approved the sub-trustees nomination in several rural schools and filled them with the following teachers: Eunice Ridgway, Evalena Howell, Geneva Joyce, Nora Bridwell, Neva Magruder, Clara Lynn Funk and Alma Forest.

## \*\*\*Base Ball

The best game of base ball ever seen in that part of the county was played last Sunday in the beautiful Shady Grove park a few miles below Belmont when the local boys played Bill Troll's youngsters from Fancy.

The players on both sides were pretty evenly matched, the pitching and catching being the features.

This was the first game of a series to be played between these teams. The second will be played next Sunday, June 18<sup>th</sup>, at Mr. Troll's farm near Cedar Grove and a big crowd will no doubt be on hand to pull the Leaches Athletics out in the lead.

The line up was as follows:

One team - Barger, Herps, Barger, Ridgway, H. Roby, Shepherd, Ira Lee, Troll & Crenshaw.

Second team - Lee, Dawson, Dawson, Dawson, Viers, Viers, Carr, Hardy, S. Lee, Hardy, Flesch, & Hill.

## \*\*\*Resigns at Attorney

Hon. Charles Carroll has resigned as attorney for the Louisville & Nashville Railroad Company to assist the Attorney General of the State as special counsel for the Commonwealth in defending various suits brought by certain public service corporations to prevent the payment by them of franchise tax assessed against them by the State Board Valuation and Assessments. The suits are pending in the District

Court of the United States for the Eastern District of Kentucky and will be taken to the Supreme Court of the United States for final determination.

Mr. Carroll was asked to accept this employment by the Governor and Attorney General and fit it his duty as a citizen to aid in the settlement of the questions involved, which are of great importance to the State. He will continue his general practice as heretofore.

## \*\*\*Pleasant Grove WMS

The WMS met at Pleasant Grove Church fourth Thursday in May, not as many of our members present as we want to see at our next meeting. We, as a rule, have nice crowd of our members at each meeting. I can answer for our Society that I know none of us ever miss a meeting that we don't feel that our presence would have been of a help to the President and that we have missed something good which we all enjoy.

Our week of prayer was indeed interesting to all who attended, and was a help to us; makes us feel as one family in one Home. Such a Blessed thought to feel at home in God's House. Splendid programs are arranged for each month by the President. We enjoyed our Methodist society's members attending our prayer services, will welcome as many of them to our meeting as can attend. Our Society pays dues each month and we have a self denial which we pay as many of us as can and feel like a self denial at such a time is the thing for us to do. We have used part of our self denial money to buy some new

lamps to light up the choir.

It is such a great thing to be both willing and able to help in this great cause. We know how thankful the Missionaries are for each gift; also we feel that they are under such a burden while in the field. While in conclusion, I wish to ask all our members to do their best to be present at our next meeting. Also, we will be so glad to have any visitors who can come with us and feel welcome in our meeting and get the inspiration we receive.

Mrs. Blanche Hall, Press Representative.

## \*\*\*Watterson's Political Crook

Woodrow Wilson, who was styled a political crook by Henry Watterson some four years ago, will be the only man thought of in connection with the Presidency at the St. Louis Convention. Notwithstanding the hatred and opposition of Watterson, Mr. Wilson won the nomination and the office, then whipped Mr. Watterson into line, and has done fairly well. In fact, Mr. Wilson has done remarkably well; better in fact than any other man who has occupied the big chair since Lincoln sat there.

## \*\*\*German Loses

London, June 11. Germany, up to the end of May, had lost 2,924,586 soldiers, of whom 734,412 were killed, according to a British official tabulation of the German casualty lists given out here today. The compilation did not include German losses in naval engagements or in the fighting in the German colonies.

## \*\*\*Bullitt Countian wins High

Honors.

Mr. William Funk, son of Judge A. E. Funk, who has been attending the Southern Normal, at Bowling Green, Ky, has won the \$25.00 prize in the declaratory contest. This is a star in "Bill's" crown when you consider that he has been there but one year, while the boy who got second prize has been attending four years.

"Bill" has been the recipient of many felicitations and congratulations since his return home, and has promised in the near future to deliver his prize winning declamation to a Bullitt County audience. When it comes to speaking, this young man seems to be a chip off the old block, and in this instance, if the stripling can develop into the speaker that "the old man" has been and is, then he is destined to be a good one. We congratulate Mr. Funk upon his justly won honors and trust that the future may have many others in store for him, for in winning this prize, he brought honors to his parents, his native county and himself.

### \*\*\*A Newspaper

What the Democrats of Kentucky need is a newspaper which reaches every home. The Courier-Journal is too high and the people will not pay the price, hence they take the Herald which is cheaper. By this means, many Democrats are lead away from Democratic teachings. If we had a Democratic paper in Kentucky as cheap as the Herald, the Democrats would all take it and drop the Herald. In this county, the Herald subscribers outnumber those of the Courier about three to one. Then the Courier has bolted, and that has soured on the

stomachs of many Democrats. And the attitude of the Courier on the whiskey question has killed it out here.

### \*\*\*Coming Soon

Miss Ina Fern Foster, the talented reader of Kentucky, who has been teaching the past four years in Glendale, Arizona, is about to return to her home land for the summer.

Those who have been entertained by her in the past will be glad to know that she comes bringing new readings, fresh with the Southwestern life. Any organizations that would like to listen to an Arizona program or have a social evening varied by an Indian tale or a prospector's experience should receive Miss Foster's services at once for her time is limited.

## \*\*\*Horse Racing

About the worst evil Kentucky has to contend with just now is that horse racing. The great evil lies in betting. To the shame of Kentucky, be it said that betting on the race has now been legalized. Legalized gambling, in other words. Every Spring and Fall, thousands of people are duped into betting on the races, and as a result, many hundreds of thousands of dollars are lost. (Another long paragraph against betting on the races.)

I know the folks will be glad to know that Dr. Steele is able to be out again; he is not capable of handling a very large practice yet, but we are glad to see him improved enough to ride out in his auto.

Rev. and Mrs. D. R. Peak and Mr. and Mrs. Lewis Motherhead spent Sunday with W. D. Ellaby.

C. A. Porter took a crowd of 27 on his motor truck to Shepherdsville Sunday evening to attend the revival at the Methodist Church. Rev. Johnson, of Wilmore, who is assisting the pastor, Rev. P. H. Ryan, was in a meeting here last February with Rev. Peak.

Children's Day at the Methodist Church here Sunday was all that could be desired. The floral decorations were handsome and the children and committee were deserving of great credit in producing such a successful program with only a week's practice. The weather was fine Sunday morning and a large crowd was present. The liberal

offering of more than \$16 was very much appreciated.

"The Finger of Scorn" presented by the High School last Tuesday night was played to an attentive and appreciative audience, that gave their undivided attention from the rise of the curtain to the closing of the last act. Etc. The door receipts amounted to almost \$50 and all over their expenses, which were very light, was given to the school building fund.

### \*\*\*Educational Jottings

The following teachers took the examination here Friday and Saturday, June 16 and 17. For county certificates - Sara Jane Buckman, Bertha Trunnell, Kate Cummings, Lola Basham, Chas. Hardesty, Lula Daugherty, Myrtle Achors, Lillian Wiggington, Nellie Cummings, Willie May Ridgway, Grace Griffin, Edyth Clark, Margaret Hardesty, Lillian Thompson, Neva Magruder, Nancy Jeffries and Ruth Van Meter. For State Certificate - Blanche Jeffries, Bertha Engle, Nadine Melton, C. E. Combs.

Misses Eunice Ridgway, Geneva Joyce, Mrs. C. C. Daugherty and daughters were recent guests in our town.

Miss Ruth Van Meter, of Mt. Joy, Ohio is spending a few weeks with Dr. and Mrs. J. G. Dodds at Bardstown Junction.

Miss Nora Bridwell, of Solitude, is teaching a summer term of school at Cedar Glades, beginning a few weeks ago and will teach until July 1<sup>st</sup> at which time she will begin the fall term at that place.

Miss Nettie Starks has returned to her home near Belmont after spending several days with Miss Catherine Chambers near Woodlawn.

Miss Ina Foster, a former teacher of this county and daughter of the late William Foster, will spend the summer at her old home near Pitts Point.

Misses Beulah Bradford, Sallie Pelley, Geneva Gibson and Mattie Milbourne, who have been in school here for several months, left Thursday for their homes in different counties to take the State Examination.

The Shepherdsville Graded School Board met last week and elected Miss Ruth Van Meter, of Ohio as teacher for the 3<sup>rd</sup> and 4<sup>th</sup> grades.

Miss Van Meter has taught for four years in this county and is regarded as one of our very best young teachers.

The colored teachers county and state examinations will be held here June 23, 24, 1916, the last examination of any kind to be held until September.

S. G. Thornberry, J. E. Magruder, C. G. Bridwell, Duke Burch and Jim Harris, five well known men in this county (for their good deeds and others) have just returned from an automobile trip through the famous blue grass section of our state.

They visited many places of interest, including the old Clay homestead at Ashland and when viewing the Henry Clay statue, Jim Ed remarked that he never belied (sic) Clay was that tall (9-1/2 feet)

We also learn through good authority (Ben Crist and Jas. Rouse) that several restaurants in that part of the state have increased their rates recently, while the two where Thornberry and Bridwell ate, have gone out of business entirely.

A letter has just been received here from Bowling Green,

Kentucky, June 16, 1916 to The Board of Education, Shepherdsville Ky. From Mary E. Collins. While visiting her mother and sister in Dawson, she was offered a position in the graded school there. The resignation came as a surprise to the many friends of Miss Collins, who has always been regarded as one of the best all round teachers ever connected with this school. Her loss is one that will be hard to fill. We wish her success at her new field at Dawson Springs. (Paraphrased)

The school board met here last Monday night and elected Miss Sara Williams, of Spencer County, who has been teaching for several years at Hebron and is a well qualified experienced teacher and will no doubt be a valuable help to the school here.

Jack Deacon, serving a life sentence for the murder of Robt. Nell, about three years ago at base ball game at Fancy, was pardoned last Monday by Governor Stanley.

Deacon, on the day he killed Nell, made his escape and was at large for several months but was captured and returned here where he was tried and given a life sentence. He had served about one year in the pen.

\*\*\*Succeeds Senator Carroll

Mr. J. F. Combs has been appointed attorney for the L & N Railroad here. Mr. Combs is one of the best lawyers at this bar and the L & N was very fortunate in getting him to represent them.

\*\*\*Base Ball

Last Saturday, the Lebanon Junction base ball team came over, led by John T. Wickersham with "Cooper" on the firing line, and this is what they did to us with that splendid twirler. - Lebanon Junction 16, Shepherdsville 6.

The following day, up at Mr. Will Troll's beautiful county home near Beech Grove, the team from Belmont met the Leaches boys in another close and exciting contest which has been the second and decidedly the best contests ever played by two country teams in this county, the other game being 5 to 6 and this one 4 to 5.

Next Saturday, the Belmont lads, so elated over their Victory at Cedar Grove, will try Lebanon Junction at their grounds a few miles below Belmont while the Cedar Grove Team will play at home again next Sunday being opposed by the Hobbs team.

These friendly contests have been high class and very orderly and are directed by John T. Wickersham, Dr. Ridgway, Bill Troll and Claud Hill.

\*\*\*Women are winning

At both the Democratic and Republican conventions, planks were put into the platforms favoring women's suffrage but declaring that it was a matter for each State to act upon, and not a matter for national legislation. The women are coming to the front in politics and within the next ten or twelve years, we

## Pioneer News 1916 - 1917, J. W. Barrall, Editor

Transcribed from microfilm by Edith Blissett in 2003.

expect to see the fair ones march up to the polls and cast their ballots for best dressed, best looking, sweetest man for the various offices.

In that day of advanced ideas and strenuous practices, a man's mother-in-law will be some factor in the political game. If you should want a fellow to support you, it would be wise to interview the better half of your wife's father, and let her, in turn, interview the object of solicitude.

Oh, yes, the world moves apace and are doing our level best to keep right up in the vanguard. In the matter of short dresses, female voters, ragtime music, dance hall talk, beeswax brains and all such, we are coming Father Time, one hundred million strong.

Seriously, we believe in four more years, both parties will come right out in the pike and declare for woman's suffrage. It may not be just what the dear creatures need; in fact, we do not believe they will care of it after it is given them, but it is on the way and is destined to get in about 1920.

Mrs. D. R. Peak and daughters, of Mt. Washington spent the week end with Mrs. J. F. Combs.

The recent rise in Salt River injured corn some and for a while threatened to destroy hundreds of acres, but the waters subsided just before the expected high tide came.

As a rule, Salt River is one of the most gentle, docile, corn loving, corn producing streams in the whole country, but once in a long while, she dresses up, and "when she do", the river bottom farmers all sit up and take notice.

Our esteemed friend, Robert E. Lee, son of W. T. Lee, almost visited Hodgenville Sunday. With his family, he started for that place to visit his uncle, William Miller, and at New Haven, the rear axle of the auto decided to break in two and there he was. Mr. Charles Bridwell was driving the car, and was going good and it

was no fault of his that the axle broke off diplomatic relations. Rob and his family waited at New Haven until the afternoon and came down on the old reliable passenger train and on Tuesday morning, Dr. Bates went upon the train and brought the auto home.

Miss Mary Collins, one of the best teachers in our school, has resigned and will teach at Dawson Springs. Miss Mary is a first class teacher and splendid young lady.

J. F. Combs lost a fine cow last week from eating too much white clover.

Will Harris and Vern Jones were in Louisville Tuesday.

O. W. Pearl spent Sunday with Mrs. Pearl and the children at Nolin. Mrs. Pearl was not quite so well last week but is some better this week.

Jodie Swearingen, of Louisville, spent from Thursday until Saturday with his parents, Mr. and Mrs. Pate Swearingen here.

Mrs. Dr. Floore, of Lebanon Junction, spent Friday night with Miss Zollie Swearingen.

While H. H. Combs is at French Lick, Daniel O. Gober will have charge of the moving picture department at The Temple. J. F. Collins, will as usual, have charge of the ticket window and in addition to selling tickets, will do a great deal of smiling. When it comes to showering smiles on the whole congregation, leave it to Jim.

H. H. Combs, known among the girls of the younger set at "Uncle" Harry, left for French Lick Springs last Monday afternoon where he will loaf for two whole

weeks. His is not exactly going to loaf for he took work enough to keep him busy for three weeks, so you can see for yourself that no alfalfa is going to grow under his dainty Trilbies. Harry puts in about seventeen hours at work each day in the year, at least he averages that except during his vacation when he works nineteen hours per day. He never enjoys rest unless he is at work and his only purpose in taking a vacation is to catch up on his work.

Mrs. O. W. Pearl, who underwent an operation for goiter recently at St. Anthony's Hospital in Louisville, has returned to her mother's home at Nolin and while she is yet far from being well, hopes are now entertained for her ultimate recovery.

Mr. Wm. Phelps, Bullitt's grand old man, who is 97 years old, spent Thursday here.

Judge Daniel is able to be out on the street again.

Heady Beard, of West Point, was here yesterday.

\*\*\*Educational Jottings

What's doing among teachers and pupils of Bullitt's many schools. The report from the State

Department of Education to this office which was recently received shows that Bullitt County has 420 male voters who are unable to read or write.

A very conservative estimate would give these 420 men at least an offspring of 1,000 boys and girls, out of only 3,000 in the county's census list, and since fully 50 per cent of illiterate parents are indifferent about their children's education, it would mean that a united effort should be made by every intelligent person to use their influence to get backward people in school the coming year.

The June examination for colored teachers was held at the courthouse Friday and Saturday with the following colored teachers from Louisville present, L. A. Bourman, Clara Merrifield and M. E. Jackson.

Katherine Rouse, Dessie and Claud Harris have returned to their homes at Solitude after spending the past year in school at St. Joseph College and Nazareth.

The Bullitt County Fair Association with J. W. Williams, secretary and J. W. Barrall, printer, have just gotten out the 22<sup>nd</sup> annual fair catalogues, which is the biggest and best catalogues they have ever had. All teachers and school children will be given a free ticket for Wednesday. This ticket will be sent through your local sub trustee and must positively be gotten before you come to the fair.

All rural teachers are required to come to the courthouse for their supplies before they open school

as they are too heavy to mail out.

The Bardstown High School gave an excellent play here Wednesday night entitled "Diamonds and Hearts" which was well received and well attended. The school, as well as the play, is in charge of Prof. Nebitt, one of the best known young educators of the State.

Miss Mary Hall is the guest of friends and relatives this week at Bardstown Junction.

Little Faye Magruder, age 12 years, has in the last 12 or 18 months practically done what no other child has ever accomplished and could easily be classed with the most successful of the moonlight school instructors.

Fay's mother has a very bright colored cook, age 38, who was entirely illiterate but was quite anxious to learn, so Fay conceived the idea of helping the cause of which she had heard so much and the result is that Mrs. Geo. Smith (col.) can now read and write and was recently promoted to the 2<sup>nd</sup> grade according to the State course of study.

The teaching has been done of evenings and the only compensation Fay has received in the past two years has been a considerable number of the very latest styles of doll make ups.

\*\*\*Second Annual Picnic

The second picnic given by the J.O.U.A.M. Council 119 members in the shady grove near Cedar Grove was quite a success and an enjoyable affair to all. Everything went off nicely with plenty of good music furnished by Roger

brothers string band. A good floor for all who wished to enjoy it, good refreshments, contests and shade, what more could we ask for but a good crowd, which was there to enjoy a pleasant afternoon.

The ladies took good part in the contests as well as the men and below are the names of the fortunate winners.

To the boy who eats most crackers, 16 and under - Admiral Crenshaw.

To the lady throwing ball closest to mark - Mrs. Henry Biggs.

To girl runs fastest, 12 years and under - Ella Parrish.

To lady blindfolded walks closest to mark - Mrs. Dave Parris.

To oldest man on grounds - Eli Biggs.

To woman with largest foot - Mrs. Henry Biggs.

To ugliest unmarried couple - Miss Edyth Barger and Gabe McCormick.

To prettiest girl on ground - Miss Mollie Roby.

To largest woman - Mrs. D. M. Simmons.

To prettiest baby on ground - Mrs. Will Harris' baby.

To lady's foot race - Mrs. Henry Biggs

Relay race won by Mrs. Mary Biggs, Miss Mollie Roby, Mrs. T. A. Roby, Mrs. Oscar Kulmer, Mrs. Ben Hatfield, Miss Alleen Simmons.

\*\*\*Oration

Upon special request, Mr.

William Funk, son of Judge A. E. Funk will deliver an oration at the Red Men's Picnic on the 4<sup>th</sup> of July. The title of this oration is "True American Patriotism" and in a contest with the best orators of the three debating societies of the State Normal School at Bowling Green, Mr. Funk was awarded first prize on his masterly delivery of this oration.

Bullitt County should feel proud that the honor of winning this contest has been conferred upon one of her boys and we should all come and hear the delivery of this oration.

\*\*\*Lebanon Junction

Feeling confident that there is a spontaneous and universal call for a reunion at Pitts Point Academy or what remains of it, of the old pupils, of the Gwynn Bros., and as a loving and well deserved testimonial of our appreciation of the high character and ideal service of Rev. W. R. Gwynn, who has left his impress upon the minds and hearts of our people and believing, further, that this meeting will thrill and inspire the hearts of every one that followed his masterful leadership as they answer this clarion call, and that it will awaken and stir and leave a lasting impression on the minds of our youth and will act as a stimulus and inspiration to the schools of our county, We, of Lebanon Junction School Improvement League pledged to the support and promotion of everything to the betterment of our school, do hereby launch the movement calling upon school and church organization of our

county to take steps to further promotion of the plan and make this day a memorable one in Old Bullitt.

Cupid has been busy in our town and in this one of his off weeks has set down to his credit four marriages. Walter Heizer to Miss Myrtle Leslie, Floyd Bryant to Miss Ella Blon Leslie, the brides being sisters, the grooms holding a David and Johnathan friendship. Wm. T. Stephenson, our undefatigable worker in the Christian Church, and a fine and genial bachelor, brought home as a bride, Miss Bertha Melton, of Lebanon, KY. Wm. Thomas and Miss Vivian Johnson, daughter of the late Dr. Johnson. All four couples have gone to housekeeping. May their home also be the home of happiness, peace and prosperity and the home of the spirit of Christ.

Ben Hays Collings, son of John H. Collings, of this place, who has made good in Columbus, Ohio and holds a lucrative position in that city, was married June 27<sup>th</sup> in Lewisport, Ky to Miss Bessie Hagden of that place. The marriage is a culmination of a courtship beginning during their college days at State University of Lexington.

Miss Bessie Craig has returned from a visit to Irvine, KY accompanied by her sister, Miss Nell Craig.

Miss Elizabeth Coy, of Louisville, is visiting relatives at this place.

Mrs. Marion Beets, of Louisville, was in town this week.

### \*\*\*Good Roads

Good Roads don't grow on trees, nor in the cloverfields; they don't come from the columns of newspapers, nor do they fall from the mouths of orators, but they come from a combination of labor and material used in a sensible manner. You cannot build a road while sitting around the grocery stove, but you must go out there where it is or should be and build it there.

Unless you have material and labor, they must be bought and it requires money to buy them. Theories do not make as good roads as crushed stone or gravel and screenings make a better crown than editorials. Bullitt County wants roads, needs roads, but she must get them in the regular way. The kind of road she is after is the rock road, and that kind of road can only be made of material which costs money.

When Bullitt County is able to use every available dollar judiciously, and in addition can secure the labor and cooperation of her citizens, she is sure to have more good roads than she now has, but as said in the beginning, it takes material to build good roads, and if you have no free labor to handle the material, then

it must be hired and that requires money.

### \*\*\*Baseball

Last Saturday, the Shady Grove team of Belmont played the strong Lebanon Junction team at Shady Grove park and with Hagan pitching for Lebanon Junction, the score ended as Lebanon Junction 7, Shady Grove 2. Next Sunday, the well known "Old Charter" team will play at Belmont and the following week, the Belmont team will be at Chapeze. Both teams have been playing good ball and these games should be quite interesting.

### \*\*\*Killing Birds.

It is a crime to kill any kind of bird except an English sparrow, and crow, blackbird, punishable by a heavy fine and it is also a finable offense for anyone to have any kind of birds except English sparrow and crow blackbirds in their possession or to suffer anyone under their charge to have them in their possession.

Parents allowing their children to have young birds in their possession can be arrested and fined.

The officers of the law should see that the laws against killing and destroying birds are rigidly enforced, and they should see that every bad boy who kills a bird or breaks up a nest is arrested and fined.

It there were no birds we could not live for the millions of insects which are destroyed by the birds would destroy all vegetation and fill us with destructive poisons.

School teachers should instill into their pupils the high value of our

birds and the great sin of killing them. Above all, the laws should be rigidly enforced and all boys and men found destroying birds should be made to pay the penalty.

### \*\*\*Notice

The Peoples Ice Cream Parlor is again wide open. Everything clean and cold. Step in and cool off.

We are informed twenty ambitious young men have applied for permission to take the examination for carrier on RFD No. one. As but one can get the place, nineteen are likely to be slightly disappointed. The RFD is the place to educate a man after he thinks he is educated.

After he has faced rainstorms and snowstorms and storms of wrath and hath fought dogs and run from dogs, and frozen into a chunk of human ice every other day in the winter, and been roasted by the fiery sunshine of summer; after he has plodded along through oceans of tough mud for seven months out of twelve, and been smothered to death by the dust the other five months, he begins to see that his lot is not a bed of roses. He realizes that he is earning his coin.

\*\*\*Lord Loveland Discovers America. Penniless Nobleman seeking fortune has many and varied experiences in America. Many and strange were the adventures that befell Lord Loveland, scion of a famous English family, when finding himself penniless on rising one morning, donned his monocle and pair of spats and with as much money as he could borrow, set sail for the land of opportunity.

Lord Loveland comes primed for an altogether different American than he finds. He has the notion that all the heiresses will fall for his title and that the hotels and restaurants and banks will stand waiting to give him credit. And why should not he believe they would? His mother had said that they would before he left good old England.

There has never been play presented in picture, perhaps, which possesses so much wit and humor as Lord Loveland's conquest of America.

This famous moving picture comedy will be presented at the Masonic Temple, Tuesday night, July 4<sup>th</sup>.

A very interesting and entertaining musical program has been arranged as a part of this show, consisting of vocal solos, duets and quartets by local and outside talent.

All of this has been done without increasing the price of admission which is 5 and 10 cents.

\*\*\*Miss Mary Collins

Her departure deeply regretted.

The announcement in "Educational Jottings" in last week's issue of Pioneer-News that this excellent teacher and accomplished young lady had severed her connection with our Graded School came as a surprise and caused deep regret to a host of friends and well wishers in this community. During the three years she has taught here, she has been an almost universal favorite

with her pupils, their parents and our citizens generally. In social circles and church work, her presence was ever for good, upbuilding and uplifting. Her absence will cause a vacuum to those circles as well as in the hearts and homes of her host of friends and admirers here that will be hard to fill. Where ever her lot is cast, the prayers and good wishes of many friends and admirers here will follow for her future success and happiness.

We trust that the school trustees will find some good lady, equally competent, to fill her place in the school and in the hearts of her former devoted pupils.

Church going people of Shepherdsville will have a chance to hear a "voice from the pew" on Sunday, July 2<sup>nd</sup>. Mr. Henry Deacon, one of our live, aggressive and consecrated laymen, has consented to occupy the pulpit of the Methodist church at both morning and night service in the absence of the pastor. Bro. Deacon is well known on account of his activity in church work, his integrity is highly respected in the community, and it is expected that large congregations will assemble to greet him on his first appearance in a Shepherdsville pulpit.

\*\*\*Hebron

Mrs. Gross and little daughter are guests of Mrs. M. S. Saunders. Mrs. Gross is pleasantly remembered here as Miss Lillie Callahan, of Jackson, Kentucky.

Mrs. Willard Bell, of Huber, is with her daughter, Mrs. John Shanklin.

Hugh Weller, of Luray, Kansas was called here by the serious condition of his sister, Mrs. H. L. Holsclaw.

Rev. Ernest Weller of Bethlehem,

Kentucky and Leslie Weller, of Fisherville, arrived Sunday night and are at the bedside of their sister, Mr. H. L. Holsclaw.

Miss Birdie Bell spent several days in the city with her cousin, Miss Mildred Dearing whose marriage to Mr. Joseph Blanford was solemnized Tuesday, June 27. They left for Cincinnati.

Rev. Leslie J. B. Smith, of New Zealand, preached at Little Flock. Subject: "The Everlasting Arms". He remained several days the guest of Dr. J. R. Holsclaw and Mrs. Holsclaw.

Garrow Thornberry has a horse suffering from lockjaw, the affect of a barbed wire wound.

Mr. Hackney lost a mule, kicked by a horse

Miss Helen Heise and Mr. Earl Smith were quietly married in Louisville last Saturday and are now at the home of the groom's parents, Mr. and Mrs. John Smith. Helen is a sweet, domestic girl and Earl is one of our most popular and energetic young men. We join with their numerous friends in wishing them a long and happy life together with just enough clouds to temper the sunshine.

Mr. McGrew, of Spencer, visited E. Y. Wiggington recently.

Will Becker has a fine crop of red raspberries.

Wheat harvest is just about over.

Mrs. Floyd Jenkins spent a few days in the city for medical treatment.

The picnic at Paroquet Springs gotten up by the Little Flock Sunday School was quite a

success, about 50 attended. No fish caught but good cheer prevailed, a bountiful dinner of seasonable dainties and the young couples lingered by the Lone Grave and felt the witchery of the sad romance as the old sweet story was retold.

Mrs. S. W. Brooks and Miss Irene Brooks went to South Port, Indiana, to attend the marriage of Miss Florence Priest to Prof. Huber, of Hanover College.

Mrs. Arch Priest was the guest of relatives and others Sunday.

Paul Holsclaw celebrated his majority Friday and was the recipient of several nice gifts from relatives.

C. C. Hackney has the contract to paper Little Flock Church.

Rev. W. O. Beatty will visit in the neighborhood this week and fill his appointment at Little Flock next Sunday.

Children's Day Hebron last Sunday was attended by a large and appreciated congregation. The subject, "America for Christ", appealed to all and program was well arranged and admirably rendered. The primary department especially deserves individual mention. "The House by the Side of the Road" by boys and the closing song and "America" sung by the congregation was especially impressive. Mr. Cunningham, the pastor, in a brief address laid the needs of the Home field before us and laid stress upon the great need of spiritual preparedness in the supreme questions of the hour.

\*\*\*Educational Jottings

Misses Elizabeth Cash and Ella Stansbury have just returned to their home at Bardstown Jct. after spending a term in the State Normal School at Bowling Green.

Miss Helen Heise, of Zoneton, was quietly married last week to Mr. Earl Smith.

The bride attended school here a few winters ago, but has always taught in Oakdale near Louisville, and is one of Jefferson's best young teachers, while the groom is an excellent young man and a brother of Prof. Wallace Smith, teacher in the Bryant & Stratton Business College of Louisville.

Victor Kelley, (col.) age 16, was drowned near Gap in Knob Sunday and after several hours effort, was dragged out by Abram Brooks and Miss Carroll.

Coroner Cleve Masden was called and held an inquest at once.

He was a very bright student at the colored school here, but had only recently learned to swim, when the accident occurred.

Some 25 or 30 rural schools began Monday and all but some 8 or 9 of the remaining ones will begin August 1<sup>st</sup>.

It is not yet known whether we will have a six or seven month term.

Miss Nadine Melton, principal of the school at Clermont, was pleasantly entertained Sunday by Mr. and Mrs. E. A. Cochran.

Chester Hill and Robt. Purcell, chairman and secretary of the Belmont Graded School were here Saturday looking after their business.

The picnic given here July 4<sup>th</sup> was well attended, there being something like 5,000 people in attendance.

The Pleasant Grove School easily won the prize for the largest percentage of attendance based on the 1916 census.

The Beech Grove School below

Bardstown Junction was second.

E. L. Brookshire, one of the most progressive citizens of Mt. Washington, was here Wednesday in the interest of a play he expects to have in his town July 21<sup>st</sup> for the sole benefit of the new school building to be erected there this summer.

The film he is to have on that occasion is the well known melodrama, "Under Southern Skies", which was recently shown at the Fraternal Hall here and is one of the best and cleanest motion pictures that we have ever seen.

Nearly \$50 worth of advanced tickets have already been sold and that community should turn out to help in so worthy a cause.

\*\*\*Homecoming, Baptists

The Baptist Church in Shepherdsville plans to begin their revival meeting on July 23<sup>rd</sup>, with Roll Call and Home Coming for all the members of the church.

All who can possibly do so are requested to be present at 9:30 for the Sunday school. Then at 11 o'clock, the roll of the church membership will be called. Every member is expected to respond. Those who are sick or live so far away that they cannot come should write to the Pastor or to some other member of the church living close by, and these statements will be read when the names are called.

At the close of the morning service, dinner will be served on the lawn close by the church. Let everybody bring a dinner bucket who can, and all are invited to stay and enjoy the dinner with us.

## Pioneer News 1916 - 1917, J. W. Barrall, Editor

Transcribed from microfilm by Edith Blissett in 2003.

Further information will be given in regard to the dinner by the women of the church.

Immediately after the dinner, we will go back into the church for another service of prayer and reconsecration in preparation for our revival. We also hope to have a large crowd for that evening session.

Remember the day, July 23<sup>rd</sup>. The meeting will continue for two weeks or more.

Professor Sanders will have charge of the choir and the singing and the Pastor will do the preaching.

A cordial invitation is extended to all the people of the town and surrounding community to attend all these special services.

### \*\*\*French Gaining Ground

The entire second position of the Germans south of the Somme over approximately six miles has fallen into the hands of the French who have also captured the village of Hem, near the northern extremity of their line and have completed their conquest of Estrees.

The British line has apparently failed to advance, "except slightly, in certain sectors" as the British War Office puts it.

The number of German prisoners reported by the British and French has reached about 16,000 while the German casualties have been unofficially estimated at 60,000.

### \*\*\*New Carrier on Star Route

Oscar Kulmer was the lowest bidder on the star route from here to Mt. Washington and

Smithville. He made his first trip July 1<sup>st</sup>. He is a fine young man and we are glad to have Mr. and Mrs. Kulmer with us.

\*\*\*Every time a man starts in business for himself, he learns a lot of things he would rather not know.

### \*\*\*Reunion at Pitts Point

For all the pupils who attended school there.

Some time ago, an article appeared in the columns of this paper in regard to holding a reunion at Pitts Point. Since then, several of the students have written or seen me in person and asked me what had been done and to encourage it all I could.

We wish to say to Prof. Gwynn and all his pupils that the columns of the paper are open and would be glad to hear from any of the pupils and publish any suggestion that they would make as it would be nice for all the pupils who are living to meet and spend a day together.

Let us hear from you and when you want to hold the reunion, and we will be glad to do anything we .. to have all spend a pleasant day at the grand old school building once more where you spent some of your pleasant days with Prof. Gwynn and the teachers of that grand old school.

### \*\*\*The Finger of Scorn

Will be presented by Mt. Washington talent at Fraternal Hall, Friday night, July 14<sup>th</sup>. Persons fortunate enough to see this excellent performance at Mt. Washington several weeks ago pronounce it the very best ever produced by local talent. One of

the best plays ever seen in Shepherdsville was shown here last year by Mt. Washington people. This play promises to excel all previous performances. Reserved seats will be on sale at Peoples Bank.

### \*\*\*New Fruit Store

Mr. Estes, of Louisville, has opened a store in the Pioneer building and will handle fruits, vegetables, and etc.

### \*\*\*Baseball

The Elizabethtown team played Lebanon Junction strong team at the Junction July 1<sup>st</sup> with the following score. Elizabethtown - 11, Lebanon Junction 12.

The following day, the Old Charter team played at Shady Grove Park, near Belmont and both sides played a very poor game. The score Old Charter - 18, Shady Grove - 16.

July 9<sup>th</sup>, the Belmont team will play at Chapeze and a better game will no doubt be played.

The game that attracted the most attention and one that could be classed with the best among amateurs was played here July 4<sup>th</sup> through the efforts of the Red Men assisted by Claud Hill and Dr. Ridgway.

The opponents were the well known Schuster Bros. of Louisville, Ky, one of the best teams playing independent ball in the city. The score and line up follows: Hagan, Wiendell, Ice, McCoy, Lee, Lewis, Viers, (can't read) & looks like Hardy & Troll VS Smith, Durbin, Bibee, Wood, Logsdon, Willett, Ernst, Hahn, Polson, Vogel. Score Belmont 5, Schusters 4.

The new hunting season rules and dates of the various seasons are being sent out to all the County Clerks in the State.

## \*\*\*Swat that Fly

The housefly is here in numbered millions, swarming over everything and into everything. Now is the time to start the crusade against them and every citizen should feel it his duty to the public welfare to swat as many of them as possible. Lime, carbolic acid and other disinfectants should be used wherever there are breeding places for the flies, and other death-dealing precautions should be taken at once. Now is the time to start the fight on Mr. Fly.

## \*\*\*No War at Present with Mexico.

The latest note from General Carranza pleases President.

Early resumption of friendly diplomatic conversations with the de facto Government of Mexico to the end that the peace and order may be restored in Northern Mexico and along the border is expected to be the next step of the United States in its deliberations with its Southern neighbor. The crisis precipitated by Villa's raid on Columbus, NM and culminating in the fight at Carrizal, (?) Mexico, between American and Mexican troops, appeared last night to have been dissipated by an amicable note from Gen. Carranza presented by his Ambassador designate, Eliseo Arredondo. The note proposes that the differences between the Governments be settled by mediation or by direct

negotiations. It is remarkable for its brevity and its restrained and friendly tone.

## \*\*\*W. C. T. U

## \*\*\*Rail from New York to Buenos Ayres (sic)

As a result of the trip of Secretary McAdoo through the South American countries, made with a view of still further promoting the rapidly growing trade between us and those countries, the suggestion has been made that a railroad be constructed "From New York to Buenos Ayres (sic)" Argentina, South America. This road will be 10,500 miles long, and of this distance, only 2,700 miles will need to be built as the existing lines already cover nearly 8,000 miles of this great distance. The cost of supplying the missing links of railroad will only be about \$150,000, which will be less than one third of what the Panama Canal has cost us, and will the most wonderful undertaking ever recorded in the commercial world.

The idea took like wildfire by businessmen all over the country, as it will be wonderful promoter of Commerce between North and South America to have this great double track railroad whereby goods can be shipped by quick route from one continent to the other.

\*\*\*Flies avoid blue.

# Pioneer News 1916 - 1917, J. W. Barrall, Editor

Transcribed from microfilm by Edith Blissett in 2003.

A French scientist is authority for the statement that flies have a distinct abjection to the color of blue. This was first discovered by a farmer who keeps a large number of cows in several sheds. One of the sheds happened to be painted blue on the inside, and in this shed, the cows were little troubled by flies. He blued all the walls and thus protected all his cows. French farmers in the vicinity are now adding blue coloring to their whitewash. The formula is as follows: To twenty gallons of water, add two pounds of slack lime and one pound of ultramarine. The walls are tinted twice during the summer.

### \*\*\*Educational Jottings

Thru the courtesy of our congressman, Hon. Ben Johnson, this office has received the following, which will no doubt be of interest to most of our teachers and scholars throughout the entire county as well as every citizen who loves his State for what it has done at home and abroad.

Kentucky, famed far and near for its contributions to political history, the arts, sciences, literature and the wars in which the United States have been involved, nowhere shines with greater brilliancy than in connection with its record for furnishing big men to serve in high executive positions when strong men were needed.

Few of the present day Kentuckians know anything of the

## Pioneer News 1916 - 1917, J. W. Barrall, Editor

Transcribed from microfilm by Edith Blissett in 2003.

early day political history of their State and the following information; never before published gives details from Washington's administration down. Kentucky, to its credit, has furnished the Federal Government two vice-presidents, two Secretaries of State, four Secretaries of the Treasury, One Secretary of War, four Postmasters General, four Attorneys General. Kentucky's part in furnishing among its delegation in Congress many of the most brilliant men who have ever served in that body are well known.

In addition to the men in high Executive position provided by Kentucky, the state may also lay claim to the greatest President of the United States, Abraham Lincoln, as he was born in Larue County, although elected from Illinois as chief executive.

The Vice Presidents from Kentucky of the United States and details of their service follow:

Richard M. Johnson - Under administration of Martin Van Buren. Term of service from March 4, 1837 to March 4, 1841.

John C. Breckenridge, under administration of James Buchanan. Term of service from March 4, 1857 to March 4, 1861.

Those Kentuckians who have held cabinet positions and details of their service as follows:

### Secretary of State

Henry Clay - Under administration of John Quincy Adams, Commissioned March 4, 1825 and served until March 4, 1829.

John J. Crittenden - Under administration of Millard Fillmore. Commissioned September 1, 1851 to serve temporarily while holding the position of Attorney General, during the illness of Secretary of Daniel Webster. Mr. Crittenden's service in the office of Secretary of State covering but one or two months. Secretary Webster died, however, October 24, 1852.

### Secretary of the Treasury

George M. Bibb - Under administration of John Tyler, Commissioned June 15, 1841, served until March 6, 1845.

James Guthrie - Under Administration of Franklin Pierce. Commissioned March 7, 1853, served until March 6, 1857.

Benjamin H. Bristow - Under administration of Ulysses S. Grant. Commissioned June 2, 1874, served until June 21, 1876.

John G. Carlisle - under second administration of Grover Cleveland. Commissioned March 6, 1893, served until March 5, 1897.

### Secretary of War:

Joseph Holt - Under administration of James Buchanan. Commissioned January 1, 1861, served until March 6, 1861.

Henry S. Breckenridge of Kentucky is the present First Assistant Secretary of War under President Wilson.

### Attorney General:

John Breckenridge - Under second administration of Thomas Jefferson, being the first Kentuckian to serve in the cabinet

of a President of the United States. Commissioned August 7, 1805, served until his death, December 14, 1806.

John J. Crittenden - Under the administration of William Henry Harrison. Commissioned March 5, 1841 served until September 30, 1841.

James Speed - Under first administration of Abraham Lincoln. Commissioned December 2, 1864, served through Lincoln's second administration and until July 17, 1866.

James C. McReynolds, the first Attorney General under President Wilson and recently appointed a Justice of the United State Supreme Court is a native of Kentucky, although he was not appointed from that State.

### Postmaster General:

William T. Barry - Under first administration of Andrew Jackson. Commissioned March 9, 1829, served until May 1, 1835, being succeeded by a Kentuckian.

Charles A. Wickliffe - Under administration of John Tyler. Commissioned September 13, 1841 served until March 6, 1845.

Joseph Holt - Under administration of James Buchanan. Commissioned March 14, 1859 served until January 1, 1861. He retired to become Secretary of Ware.

It may be suggested parenthetically that in congressional and other public life, Kentuckians have added glory to the fame of their State; the present Speaker of the House of Representatives, Champ Clark,

Transcribed from microfilm by Edith Blissett in 2003.

of Missouri, having been born in Kentucky, and the present majority floor leader of the House and the senatorial nominee from Alabama, Oscar Underwood, have been born in Kentucky.

In addition, Kentucky has furnished 109 govemors of states other than Kentucky, a record without parallel.

### \*\*\*The Slogan

The origin of the phrase, "pretty women, fast horses and good whiskey" used to describe Kentucky's famous products, is said to belong to Fielding Merrifield, a Representative in the Legislature from Nelson County, who served during the Forties.

It was early in the session and Merrifield had offered his first bill and had taken his seat when a prominent Whig leader from the mountains inquired who the gentleman was who had offered the bill and where he hailed from. Quick as a flash, the Nelson County solon was on his feet and looking toward his colleague, he said:

"Mr. Speaker, it is with pleasure that I arise to enlighten the gentleman from where the atmosphere lends strength to all so fortunate as to hail from that section of our Commonwealth, where the thrushes mellow notes can be heard from sunrise to sunset; where the huckleberry and wild grape vines are a distinct part of nature's production, and where delightful breezes fan the brow of the weary traveler; but, Mr. Speaker, I live in a section of Dear Old Kentucky where we have a abundance of pretty

women, fast horses and good whiskey; where on every side can be observed waving bluegrass and growing crops and there are no weeds or briars to contend with and, Mr. Speaker, for the enlightenment of the gentleman from the hill tops, I subscribe my self as his truly, Fielding Merrifield, Esquire.

Mr. Merrifield's tribute to his country made him famous and the phrase he coined on that occasion will live long after he is forgotten. - EX

Miss Stella Brumley, our school teacher, is boarding with Mrs. James Ridgway.

Quite a number attended the Red Man's picnic from this part of the globe and reported a nice time.

Louis Stallings, we are glad to report, is improving.

Dave Owen, better known as "Dock" Owen, 10 years old, was either bitten by Mr. Hough's dog or hit in the mouth. The young man was playing with the dog, and he threw up his arm to keep the dog back and is not sure the dog snapped him or just hit the dog in the mouth. The wound was so deep that it bled. This happened Tuesday and the dog left Tuesday night. The young man left Saturday for Bowling Green to be treated.

Protracted meeting will begin at Pleasant Grove 4<sup>th</sup> Sunday in July. The pastor of Little Flock will help in the meeting. Everyone is invited.

### \*\*\*Educational Jottings

The play given here Friday night by the pupils of the Mt. Washington High School was one of the best plays we have ever seen given by students and reflects considerable credit on the teacher and the splendid class of sophomores who took part in the

performance.

Mr. Otis Russell, secretary of the graded school board here, was the recent guest of his father, C. M. Russell, a well known farmer of Nelson County.

Prof. J. H. Sanders returned Saturday from Marion County, where he spent the past week conducting the tri-county institute which met at Lebanon.

Prof. and Mrs. E. J. Ockerman, of Bloomfield, were here a few days ago visiting Mr. and Mrs. Russell.

Prof. Tom Cochran returned to his home here for his vacation after having spent the past year in a well known eastern college.

Miss Mary Hall has gone to Dawson Springs.

Miss Zora Raymond, who has been very ill with measles, is much better. Miss Bertha Trunnell, another teacher, is also sick from the same disease. Both teachers will soon be out. Miss Sara Jane Buckman is teaching for Miss Trunnell until she is able to take "up the rod" at Victory.

Mrs. Dora Harris is now back at her old school, Sugar Valley, near Smithville, and reports a fine attendance from three different counties as well as a good per cent from her own district.

Born, July 14, to Mr. and Mrs. E. D. Raney, a fine 8 ½ pound girl, Hazel Katheryne. Mrs. Raney, before her marriage, was one the best young teachers and is the only daughter of Dep. Sheriff A. L. Roby of Lebanon Junction.

The County Board met Monday and besides the regular lines of work, approved the trustees

choice filling vacancies with the following teachers: Nancy Jeffries, Willie May Ridgway and Willie Chickering.

The County School Board also selected substitute teachers for this year, one for each educational division as follows:

Shepherdsville Division - Willie May Ridgway.

Mt. Washington Division - Birdie Hall.

Leaches Division - Edyth Clark

Pine Tavern Division - Clara Chambers.

If the above teachers accept the appointment, all rural teachers who are sick or who are unable to be on duty for any cause, should notify the substitute teacher in the division in which they teach, as no other person or persons will be eligible to teach or fill vacancies.

Further particulars of this arrangement will be given in this column later.

This office was honored Monday by a visit from Prof. Bartholomew, of Louisville, one of the best known and best loved men in the State, and who for many years was head of the high schools in that town.

Reports sent to the daily press of this State last week assures us of another seven months rural school term. No official notice has yet been received.

Vernon Murrain, an incorrigible youth, now living near Beech Grove, is accused of disturbing the school at that place last Friday, and the County School Board ordered a warrant for his arrest Monday. Sheriff Roby

arrested the youth Thursday and turned him over to Jailer Lee and he will be tried before Judge A. E. Funk, Saturday, July 23<sup>rd</sup>.

\*\*\*The House Fly

The presence of flies in the house is rapidly coming to be recognized as a distinct menace to the health of the family, or in other words, a disgrace. We know of no other way to get rid of these pests than to keep the premises absolutely clean, use a liberal supply of fly poison and swat the fly. - A citizen.

\*\*\*The Deutschland

One of the most sensational features of the war was the arrival at Baltimore recently of the German submarine boat, Deutschland, directly from Bremen with a cargo of dye stuffs and other very valuable goods of 300 or 400 tons. The boat was entirely unarmed and declared by U. S. Custom official to be strictly a merchant vessel and entitled to such privileges. She made the trip in 14 days, avoiding the English blockade and claiming to have come through the English Channel, running under the English fleet. The Germans claim that quite a fleet of these merchant submarines is being built in Germany and that they will soon be making regular trips between U.S. and German ports, delivering dye stuffs and other high priced freight badly

needed here and heretofore prevented by the English blockade. The Deutschland is reported to have discharged her cargo at Baltimore and have re-loaded with nickel and rubber, articles badly needed in Germany and to be about ready for her return trip. It will be a hazardous and dangerous one and if successfully made, an achievement wonderful in naval history.

\*\*\*Religious Census of Shepherdsville and Salt River

I wish to present the following figures concerning the census of Shepherdsville, which I have recently completed. This census includes the white populations of Shepherdsville and Salt River.

White population - 504

No. of church members - 272

Children, 12 years of age and under - 125

Church members among those who are above 12 years of age - 72 per cent.

Church members:

Baptist - 122

Catholic - 33

Disciples - 25

Presbyterian - 17

Lutherans - 6

Episcopalians - 1

Church preference of those who are not members of any church, including the children:

Baptist - 131

Methodist - 42

Disciples - 20 (Or 29)

Catholic - 5

Presbyterian - 5

Lutheran - 4

# Pioneer News 1916 - 1917, J. W. Barrall, Editor

Transcribed from microfilm by Edith Blissett in 2003.

No Preference - 25

Church Preference of children  
twelve years of age and under:

Baptist - 80

Methodist - 19

Disciples - 11

Presbyterian - 0

Lutheran - 3

No Preference - 8

Percent of Population:

Baptist - 50-1/2 per cent

Methodist - 22 per cent

Disciples - 9 per cent

Catholic - 7-1/2 per cent

Presbyterian - 4-1/4 per cent

Lutherans - 2 per cent

No Preference - 5 per cent

25 per cent of the population are children 12 years of age and under. Baptists constitute 50-1/2 per cent of the population, but they have 64 per cent of the children. There are no Presbyterian children twelve years of age and under in the community.

There are 107 people who are above twelve years of age who are not members of any church. Of these, 51 prefer the Baptist Church, 23 the Methodist, 9 the Disciples, 5 the Presbyterian, 1 the Lutheran, 1 the Catholic, while 17 have no preference.

Other deductions and observations may be made from these figures by anyone who care to study them.

Your humble servant in Christ, H. C. Combs.

\*\*\*The War in Mexico

War clouds that hung so heavily and ominously over the strife worn, bandit ridden, ignorant and degraded land, especially along

the northern and American border, since the last note from General Carranza, have rolled away, or seem so as far as the American soldiers are concerned. Carranza seems to have realized two facts, that it would have been better for him to have realized long ago:

One is that President Wilson is a man of his word and means what he says in his assertion that he will stand for no more raiding along the border or slaughter of American citizens residing there.

The other is the standard of "truth" is much higher in the United States than Mexico and honesty the same.

It took the calling to arms of over a hundred thousand troops of the National Guard, and the concentration of a large portion of same along the border to drive into his thick head the fact that President Wilson would stand no more his bullying and broken promises, and that he was in a fair way to get a good sound thrashing. Realizing these facts, he seems to have gone to work in earnest to suppress brigandage.

Wednesday's dispatches announce the defeat of two bands of Villa's bandits by Carranza soldiers. If the Carranzistas will keep up that sort of work until there is some protection for life and property of Americans and other foreigners in Mexico, they will realize that they can get rid of the American soldiers much easier and more quickly than by trying to drive them out.

\*\*\*In France

The Germans still continue hammering and battering at

Verdun, the strong fortress near the eastern French border. They claim some successes, but seem to have made no permanent gains so far, and the French assert they are holding their own. Along other sections of the trench lines, the British and French have made decided gains, having driven the Germans back on fronts of from 8 to 20 miles in length and from 1 to 6 miles deep. The Russians still claim big gains along the eastern front and to be within 20 miles of Kovel, a vital point in the Austro German Lines, which if captured, will necessitate immediate withdrawal or surrender of large numbers of their troops. The Russians claim to have captured over 270,000 Austrian and German troops since their advance began.

### \*\*\*Hebron Church

The annual revival services of the Hebron Church will begin next Sunday. The Rev. Robt. L. Bell, of the Stuart Robinson Memorial Church, of Louisville, will assist the pastor in the preaching. Added to a number of years of experience in church work, Rev. Bell has a fervor and zeal which makes him not only a very interesting, but a very helpful preacher.

Mr. Geo. D. Hopper, of Sanford, Ky., will have charge of the music. If you can sing, we want you in the choir.

Services at 10 o'clock each week morning and east evening at 8 o'clock. The public is cordially invited to attend all these services and help in making this a real revival.

Bridegroom of a few days ends life with a shotgun. John Perkins, 18 years old, a pupil in the Shepherdsville High School, who eloped to Jeffersonville and was married to Miss Myrtle Troutman, 19, of Hobbs, last Saturday, committed suicide by shooting himself just below the heart with a single barreled shotgun at the home of his father, William Perkins, a farmer living near Clairmont at 10:30 o'clock Tuesday morning. The shooting occurred in an orchard near the house.

Worry over the raising of a check is said to have led to despondency.

Besides his parents and wife, he is survived by two brothers, Thomas and Henry Perkins.

## \*\*\*Educational Jottings

Misses Lou Swearingen, Lounette Stansbury and Nellie May Scott were here Saturday making their final school settlement.

Miss Lena Ice has just returned from Lexington, where she has been visiting her sister, Mrs. Chester Roby.

Miss Sara Jane Buckman, who for the past two weeks has been teaching for Miss Bertha Trunnell at Victory, returned home Thursday.

Vernon Murrain, the 13 year old youth who was arrested recently for disturbing the school at Beech Grove, owing to his tender age, was ordered by Judge Funk to be placed in charge of Herbert Cundiff, who executed bond to send him to school and be responsible for his acts. The lad had never attended school at Beech Grove, could scarcely read his own name and had been deserted by his parents a few years ago. For this and his age, the courts was very lenient, but gave him a good lecture, admonishing him that a repetition meant the placing in the Kentucky School of Reform until he was 21 years of age.

Miss Cecil Funk, who teaches at Highland, spent Sunday at Brooks with her parents.

Miss Nancy Jeffries, who is to teach at Corinth, has just returned from a visit to Glendale.

Miss Willie May Ridgway, teacher at Glen Ella, is at Cloverport this week the guest of Mr. and Mrs. Ben Ridgway.

Several parents were fined in Judge Funk's court Monday for

failing to send their children to school.

Most of our citizens, especially the well informed, think well of the new compulsory school law and of the attitude of the offices toward it, knowing that German, Denmark and even States in our own Union have shown how beneficial it is to the whole people, but to the "knocker" and men who is opposed to any reforms, we print a letter from Frankfort which shows just where we are "at". Kindly read it and then lift your voice for a law that will mean more to the citizenship of this county than all the political platforms ever written. Supt. Ora L. Roby

My Dear Superintendent:

I'm writing to you in regard to the per capita for this year, which has been declared to be \$5.10. This compels us to have a seven months term. My ideal for the country school is an eight months term to be divided into two sections - five and three months each, four and four each, or all consecutively as the local conditions may demand.

You, by virtue of your office, are the educational leader of your county and the State Department wants to cooperate with you and be as helpful as possible. We suggest that three things be emphasized this year in your county schools.

First, attendance. We have found that your county, had in 1915, 3001 children, and had an average attendance of 1,448, making the per cent of attendance, 46, which is below the State's average of 48 per cent. I am sorry to note that

you did not reach the average and yet the State's average is not nearly high enough. You have this year, 3,148 pupil children. I am asking that, if possible, you to increase this average attendance. I note also in your county you have 35 illiterates between the ages of ten and twenty. Have your teachers go after these, as far as possible.

The second matter I would suggest is that you hold a close supervision over your teachers and eliminate from your teaching corps all unworthy teachers. One of the crying needs of our system is teachers of character.

The third matter is the reading circle. I am going to suggest that your County Board under the head of preparation, give a premium of one or two dollars per months salary to the teachers thoroughly completing the Reading Circle course. You know there are three main methods of training teachers. The State National Schools, the Institute and the Reading Circle.

Fully expecting your hearty cooperation to make this the best school year we have had in the State and pledging you the sympathetic, helpful cooperation of the State Department, I remain, Your truly, V. O. Gilbert. State Supt.

The above 46% we made, of course on all who attended rural, graded and high schools as well as those who attended private schools and high schools or colleges out of the county.

Where were the other 54% and where do you want them this year?

## \*\*\*Rock Pile

Elvin Doutaz, town Marshal of Lebanon Junction, and one of the best officers we have ever seen, arrested two bootleggers at his town Saturday night for selling whiskey.

County Attorney Bradbury had them arraigned before Judge Funk Monday, who assessed a \$60 fine and cost against each and they are now along with 5 or 6 other prisoners building roads for our county at the cost of their board only.

This is done as quite a savings to the road funds as road hands are now very scarce and the price of labor high.

## \*\*\*Parents Fined

The School Board at their last regular meeting asked that summons be issued against a number of families to appear before Judge Funk and show cause why they were not sending their children to school.

The case was set for last Monday and the following were fined \$5.00 each and costs.

Buck Hickerson, of the Pitts Point Area.

Jack Stovall of Beech Grove.

P. T. Price, of Hobbs.

Several other cases were postponed upon a promise to Judge Funk that they had now started their children and would continue to send them regularly and if this order is not complied with, each case is to be reinstated at any time during the term.

The present law is an amendment to the 1908 school law and gives

the court the power to collect fines and costs as in all other cases and since nearly 65 per cent of the children in this county did not attend school last year, we congratulate the court and those in authority for prompt action in these and all other cases.

## \*\*\*A Card of Thanks

Lebanon Junction, Kentucky.

The fourth quarterly W. C. T. H. Convention of District Four Division B, comprising the counties of Hart, Hardin, Larue and Bullitt was held at the Christian Church, Lebanon Junction, Kentucky, Thursday, July 20<sup>th</sup> at 9:10 a.m. Mrs. E. T. Creager of Cecelia, Pres., presided and on account of the absence of the secretary, Mrs. L. Burninger, Mrs. R. G. Hampton was elected secretary pro tem.

The meeting was opened by singing song No. 1 in KY Rally Songs, followed by the devotional exercises led by Bro. Foster, pastor of the Christian Church. After singing, "The Fight is On", Bro. Short, evangelist conducting revival services at the Methodist Church gave a very helpful talk on "Temperance Instruction in the Sunday School". Bro. Bell, pastor of the Baptist Church, made "Bible Teaching and Temperance" a careful study and entertained the Union with his views on this great two-fold subject.

"The White Ribbon" was sung by

the Union after which Bro. Ryan, pastor of Methodist Church, told us how we might help State Wide Prohibition.

A committee on resolutions was chosen, being Mesdames Duvall, Carter and Gray. After a discussion of liquor being shipped into our town, also on the street fair. The Union was closed by prayer by Mr. Harned to meet at 1:30 p.m.

The evening session was called to order by president. After singing "When Christians shall vote as they pray", Mrs. Duvall, president of local Union, read Daniel 1:8-22, after which Bro. Foster lead our devotional prayer. The minutes of the morning session were read by secretary after which the committee on resolution reported.

The following resolutions were submitted:

1. That the legality of shipping of whiskey into dry territory be given a careful investigation and that each (can't read) of said condition in its perspective territory.
2. That we demand that all candidates for public offices, to declare themselves in unmistakable terms as to how they stand on the liquor question, we deeming their silence on said question to be sufficient grounds for our opposition.
3. That we declare in clear and positive terms for an amendment to the constitution which will give the suffrage of Kentucky to say whether or not our State will be Prohibition.
4. That we heartily endorse the

distribution of Educational Literature on Questions of Temperance.

5. That we especially tender our thanks to the ministers of the various churches for their presence and assistance with the Convention. We most especially thank Bro. Ryan, pastor of the M.E. Church and Evangelist Short for discontinuing their morning service in favor of our convention.

Miss Le Goodwin read an interesting paper on "Narcotic Habits" after which an open discussion was conducted on the topic by the Union. "How to increase our membership" was discussed in a round table conference and several new members were added.

"Stand Up for Prohibition" was our closing hymn after which Bro. Bell closed the Union with Prayer.

### \*\*\*Educational Jottings

Miss Lena Ice is teaching this week for Miss Mary Dawson at West Point on account of the serious illness of her brother, Lee Dawson.

Miss Jennie Carpenter has just returned home from Bowling Green where she had been in school. Miss Zora Raymond, another well known teacher, left recently for a short course in the same school.

Edw. Barrall, Eunice Ridgway, Willie Chickering, Marie Atkinson, Nell Cummings, and Gladys Welch started school Monday. The few remaining schools will be started 1<sup>st</sup> Monday in September.

The school attendance is still booming as a direct result of the strict enforcement of the law here in Judge Funk's court recently.

Every school child may now secure their ticket for Wednesday at the fair by applying to your trustee.

The following committee has been appointed to meet at the county Superintendent's office in Shepherdsville, Kentucky,

Saturday August 13<sup>th</sup> at 9:30 a.m. to arrange for the school reunion, fix a date ... at Pitts Point of all the living students who attended school at that place during the time the school was in charge of W. .. Gwynn and brother, Mrs. Ella Hays Magruder, Mrs. Mary Hornbeck Collings, Mrs. Maggie Hardy Ridgway, Dr. Samuel W. Bates, Dr. Samuel H. Ridgway, Lindsay Ridgway, and Oscar W. Pearl.

Photo - Irwin Funk

Irwin Funk, son of Judge A. E. Funk, present County Judge of this county, who has recently passed his 21<sup>st</sup> natal anniversary, graduated last June in the law department of the University of Louisville. Since then, he has successfully passed the required legal examination, received his license and is now fully qualified as a practicing attorney in all the Bullitt County Courts. He has an office here and is ready to give prompt attention to any legal business offered him. He is one of our brightest young men and has promise of a brilliant future in the line of his chosen profession. The Pioneer News unites with many friends in this community in wishing him success.

### \*\*\*Revival Closes

The Revival at the Baptist Church conducted by the Pastor, Rev. Combs, closed Sunday night. Several additions were added to the church by letter and Baptism. Rev. Combs is a fine preacher and everyone that heard him was well pleased with his sermons.

### \*\*\*Horses and Automobiles

Frozen roads are what you might call death to motor cars. They cut tires to ribbons and shake machinery out of joint. Day after day, I tramp the public roads and find on them ten horses to one machine. The farmer is growing wise. He has discovered that his bright new machine will become dilapidated and wheezy if run in winter weather, and so he keeps it housed while the ever faithful horse draws the wagon, light or heavy, and does not get stuck in the drift or mire, writes Hilton Busbey, in "American Horse Breeder".

With the price of gasoline steadily climbing, the expense of running a machine is greater than driving a horse and the farmer

always counts the cost in summer, the machine is much in evidence on the National Road, especially on Saturday and Sunday and the horse is reserved for short drives.

Five days of the week in summer, the farmer has duties to perform, and then the great highway has a deserted look. But when Sunday comes, the preacher does not see him. He is flying through clouds of dust to exchange greetings with distant friends.

It is folly to talk about the horse becoming a back number in agricultural communities. He does work which machines cannot do, and is a safe dependence in all kinds of weather.

As I take my daily exercises on the highways and drive long distances on them, I know what I am talking about. I am compelled to believe what I see with my own eyes. The paid stories in some of the daily papers do not mislead the well informed.

Kentucky in a revival.

Mr. and Mrs. R.E. McAfee and boys spent Wednesday with her parents, J. W. Harris and wife.

The lot sale of West, Riner and Downs was held Tuesday and was in every respect, fine. The crowd hardly reached our expectations and the lots were sold very cheap, we have not heard the exact returns of the sale, but hope the profits were enough after their expenses were paid to justify them in their work. J. F. Carrithers was the lucky one to draw the free lot and Mr. Richard Taylor and Polk Herin each drew a ticket for a \$5 gold piece. Music was furnished by the Shepherdsville band, which was at its best all day (and especially at dinner eating pie). Dinner was served by the W. M. S. of the M. E. Church and a nice little sum was realized which goes in the building fund for our new church.

\*\*\*Educational Jottings

The Committee recently appointed to arrange for the Gwynn School reunion at Pitts Point met at the Court House Saturday and selected a date and appointed the various Sub Committees necessary to make this affair one of the greatest educational days in the history of Bullitt County and since the former students of that grand old college are now among our leading citizens, we have no hesitancy in saying that this occasion will bring together hundreds of noble men and women from all over this and adjoining counties as well as many from other states, who have made good and who will be only too glad to meet on this day at a grand old spot, now almost deserted, but where once only a few years ago, was by far the most favored town and could easily boast of the most cultured people to be found in these parts, so gentle reader, if you are fortunate enough to have been a student of that splendid old school located in what was at one time a flourishing busy little center or a patron, a teacher, a friend, or if you are today interested in the cause of better schools, make your arrangement to go to old Pitts Point Saturday, Sept. 9, 1916.

The following Sub Committees were named:

Program - Ella Sweeney Pope, Chairman, Mary Hornbeck Collings, Birdie Hill Dawson, Cora Hardy Roby.

Transportation - J. F. Collings,

Chairman, O. P. Means, Lawrence Roby, Clarence Dawson, H. H. Glenn, Dr. S. H. Ridgway.

Necrology and Roll Call - O. W. Pearl, Chairman, Hillary Greenwell, Ben Chapeze, Dr. S. W. Bates, Ella Pope, Kate Chambers, Ella M. Magruder.

Gen. Management - Rice Lee, Chairman, C. C. Lee, Price Smith, Jas. Greenwell, Joe Woolridge, John Hill, Jas. Collings, Lawrence Roby, Chas. Dawson, Luther Kelley, John Woolridge, Clarence Holsclaw, Claud Barrall, Bob Ridgway.

Finance - O. W. Pearl, Ora L. Roby, Lindsay Ridgway. J. R. Zimmerman, J. W. Barrall, Ella Hays Magruder, W. B. Gwynn.

All students, patrons, teachers and friends will please send a small contribution to any member of the finance committee from 25 cents up and if the amount be sufficient said committee will employ a fine brass band for this occasion.

\*\*\*High School Pupils Make Good.

Every High School pupil who took the examination passed with a high grade and about all of this have schools and are doing good work in the school room. Every pupil who passes the common school examination is entitled to

the High School course and parents should see to it that they get the full four year course. In Indiana, every child has the right to a High School education just we have in Kentucky, and in Indiana every child gets that High School course whether they be rich or poor, white or black.

Let every parent in Bullitt County see to it that their children complete the High School course, and when they have done that, they will have done more for them than if they had left them a fortune, but no education.

Houses burn, money takes wings and flies away, friends are fleeting, and life is full of disappointments, but a good education abides for a lifetime.

\*\*\*Mass Meeting

There will be a mass meeting at the Courthouse Saturday for the purpose of forming a County Live Stock Sanitary Union. The purpose of this association will be to systematically fight Hog Cholera and other contagious and infectious diseases in live stock. Hog cholera has been prevalent in this county for over two months and is still spreading and will continue to spread unless concerted action is taken. All stock owners are requested to be present. David Smith, County Livestock Inspector.

\*\*\*Automobile Accident

While Mr. John Moore and brother, Richard Moore, W. B. Mattingly and Jas. Hardin, of Cupio, were on their way here Monday in Moore's auto, they hit a telephone pole near Okolona and were badly bruised.

\*\*\*Circuit Court

The following cases have been tried since last issue:

Chas. Merker VS Bullitt County, hung jury.

Simmons, Cochrane &c VS Burilla Simmons, verdict for defendant.

\*\*\*Death of H. M. Johnson

Mr. H. M. Johnson died in Columbia, Tennessee, Tuesday night and was buried in Rose Hill Cemetery Wednesday. Mr. Johnson was a son-in-law of Mr. Price Smith. He was well known here and at Belmont, where he made his home for several years. Several months ago, Mr. Johnson went to Arizona thinking it would improve his health, but he gradually grew worse.

Revival services will begin at the Baptist Church here next Sunday, by the pastor, Rev. S. S. Wilhoit.

Quarterly meeting for this charge will be held at Fairmount next Sunday and Monday instead of Saturday and Sunday as we formerly announced.

Mrs. Al Snider and son, Clarence, were hosts at a surprise birthday party for her little daughter, Alberta, who was eight years old. The little girls present reported a happy afternoon, playing games and enjoying the refreshments of fruit, cake, ice tea and salted peanuts. The dainty and pretty little gifts were much appreciated by the little guest of honor. Those present were: little Misses Mildred McClure, Garnett Smith, Emma Lee and Ella K. Gentry, Susie M. and Lilbern Parrish, Susie L. Swearingen, Levada Stout and Edna and Naomi Meddis, of Jeffersontown.

Work on the new schoolhouse is progressing slowly but surely. We are sorry it will not be ready for the fall term.

\*\*\*Personals

Mr. and Mrs. P. H. Henderson accompanied by their granddaughter, Ailene Henderson Maraman, have returned to their home after an absence of about two weeks spent in Missouri. During this time, they have

visited their daughter, Sister Mary Phillipa, who is stationed at St. Agnes School, Springfield, Missouri. They also had the pleasure of meeting many Kentucky friends. Among these were Mesdames Palma D. Landers, Prudence Emerich and Ed Larkin.

Mr. T. R. McArhan, of West Point, was here Saturday.

Dr. E. F. Horine, of Louisville, and Mr. Risinger, of New York, spent Sunday with Mr. and Mrs. C. E. Alford.

Messrs Akridge and Nevitt, who have been spending some time with Jailer Lee, at the "Rocks", the summer home at which Mr. Lee entertains his guests, will leave in a short while to spend some time with friends at Frankfort, where they will take a post graduate course in shoe making and chair manufacturing. To be plain about the matter, Mr. Nevitt was convicted of embezzling chickens and a jury sent him up the line, until he could get the feathers combed out of his hair, and as for Mr. Akridge, he was sent up for detaining a female against her will. The consensus of public opinion is that they "got theirs" an well merited doses, and in this case while the penitentiary loses, the community where these brethren formerly lived will be greatly benefitted.

### \*\*\*Educational Jottings

Miss Louise Monroe, formerly of this County, and one of the best young pupils that ever attended school here, has just been chosen first assistant teacher at the Valley Station Graded School in Jefferson County.

Miss Otis Porter, who taught the high school room last year at Mt. Washington left Monday for Auburn, Iowa where she will teach the coming year.

The Shepherdsville Graded and High School trustees are building two new rooms to the school building here making in all 9 large rooms for a school that only a few years ago was taught by two teachers.

During the recent County Fair, two weddings occurred that are of interest to readers of this column. The first was Miss Eva Bailey to Mr. Herbert Lee and other Miss Maud Barrall to Mr. Simmons Cochran. The young men are well known here, where both have lived most of their lives, while the brides attended school here last winter and both passed successful examinations in Jefferson County last May and at least one of them had been given a school in that County.

Several parents, some colored and some white, were before Judge Funk Saturday for failure to send their children to school and owing to lack of witnesses, the cases were postponed until next Saturday.

The school at Bardstown Junction began Monday with Prof. Gibson as principle and Miss Fanny Bell Melton, assistant.

Miss Mary Dawson is back in the school at Pitts Point, after being absent a few days on account of the illness of her brother, Lee Dawson, who since has had a delicate operation performed in Louisville, and is now out of all danger.

Miss Nadine Melton, who has been ill with typhoid fever is able to out again and expects to open school at Clermont Monday. Three of her sisters have been ill with the same disease.

Much interest is being shown in the Gwynn school reunion to be held at Pitts Point Sept. 9. The following, with plenty of good old time handshaking, will be part of the program. Song - My Old Kentucky Home by Public.

Invocation - Prof. W. B. Gwynn

What this school has done for this and adjoining counties.- Sen. J. R. Zimmerman, Quartette - Kentucky Schools - Sanders, Ridgway, Bates, Roby.

Roll call by Necrology Committee (First Roll call of girls to be answered by each if present by a one minute talk, or if not, their whereabouts given by necrology committee)

Song - School Days - Chas. Bradbury, Margaret Sanders, Sara Croan, John Glenn.

Lunch - Then Roll Call of Boys to be answered as above.

Closing remarks - Prof. W. B. Gwynn.

Song - When the Roll is Called Up Yonder - Music.

The following committee on arrangement are requested to meet at Pitts Point Thursday to put the old place in condition for the school reunion - Rice Lee, Chairman, Price Smith, Joe Woolridge, Jas. Greenwell, Lawrence Roby, Jno. Woolridge, Clarence Holsclaw, Hilary Dawson, Leonard Howlett, C. C. Daugherty, C. C. Lee, Jno. Hill, Jas. Collings, Luther Kelley, Claud Barrall, Bob Ridgway, Newton Pearl, Jno. Chambers, and Chas. Dawson's sons, Ambrose Skinner and all others willing to help.

\*\*\*Mrs. N. A. Ratliff

## Pioneer News 1916 - 1917, J. W. Barrall, Editor

Transcribed from microfilm by Edith Blissett in 2003.

Mrs. N. A. Ratliff passed to her reward on May 29, 1916. She was born Aug. 31, 1829. She was sick only a few hours, but had been in ill health for a number of years. Everything was done that could be done to save her. But God had called for her, and when death laid his cold hands on her, she had to go. Everybody that knew her, loved her. This was shown by the large crowd of people who attended her funeral.

Mrs. Ratliff was a good woman. She was the pride of her home. She leaves six sons and a host of friends to mourn her death. God, in his wisdom and love, saw fit to call her, so we all have to bow in humble submission to his will, so trust in Jesus who is able to help you to bear up under this awful sorrow. Remember that Jesus said, "Let not your heart be troubled, he believe in God, believe also in me. In my father's house are many mansions. If it were not so, I would have told you, and I go to prepare a place for you, I will come again and receive you unto myself that where I am, there ye may be also."

What is home without a mother?  
What are all the joys we meet  
When his loving smile no longer  
greet the coming of my feet. Oh,  
Sons, do not weep. I think God  
knew best, Oh, Sisters, do not  
weep, Dear Annie is at rest. She  
has left this world and gone  
before, To meet her mother at  
Heaven's door, And she'll be  
there to clasp her hand, When  
they meet in yonder land.

Her remains were laid to rest in the family cemetery surrounded by a large number of sorrowing

relatives and friends. Beautiful and impressive funeral services were conducted by Rev. McCormick, of Bardstown Junction. May the Lord bless and comfort the bereaved ones. Signed, A Friend.

### \*\*\*Miss Mayme Stephens

This charming young lady and accomplished musician, one of the best that Shepherdsville has ever produced, leaves today for Irvine, KY, where she has already secured a number of pupils and will begin her chosen career as a musical instructor. She graduated at the Shepherdsville High School last May with honor and has devoted a large portion of her time to the study and practice of music. Besides being a most delightful performer on the piano, is thoroughly competent to teach and instruct in the beautiful art. She will be greatly missed in both church and social circles, where she is most popular and greatly loved. The best wishes of a host of friends here will follow to her new field of action and long for the success she so richly deserves. Her home at Irvine will be with an uncle, Mr. Jas. Stephens, a prominent citizen of that place and we commend her most cordially to the good people there as in every way deserving of their confidence, esteem and patronage.

### \*\*\*Miss Ina Fern Foster

Gives Delightful Recital at M. E. Church.

One of the most cultured audiences that Bullitt County could produce assembled at the Methodist Church last Friday night to hear Miss Ina Fern

Foster, whose fame as an elocutionist and reader was well known in Shepherdsville and Bullitt County, her former home and the scene of other well remembered similar entertainments.

For several years past, Miss Foster has been living in Arizona, connected as a teacher with the Glendale Grammar School, but has been visiting her immediate family and other relatives, as well as many admiring friends in this county who delighted to welcome her return, even if only for a short visit.

The program was headed Arizona Sunshine, selections being largely of the Arizona or Western type and were handled by her with that charm of delivery, brightness and clearness peculiar to her original style that brought many smiles and much laughter to the charmed audience and liberal sounds of applause after each recital. The program consisted of 19 different selections all admirably rendered. "Where the West Begins, The Night Wind and Bugle Song" seemed most especially pleasing to the audience.

Miss Foster was ably assisted by Mrs. George Barrall, of Kansas City, another charming visitor who rendered two lovely vocal solos that were greatly enjoyed and liberally enchored.(sic)

Prof. Jack Sanders of our own High School also favored the audience with one of his fine vocal solos and received the abundant applause his songs usually do and are certainly entitled to.

Altogether, it was a most

delightful evening and will long be remembered with much pleasure by those whose good fortune it was to be present.

Miss Foster left this week on her return to Arizona, followed by the best wishes of a host of friends in this community, who will delight to hear of her continued prosperity and success in the home of her adoption and be glad to always welcome her return to the home of her nativity.

Mrs. Bettie Price left last week to visit relatives in the city.

\*\*\*Miss Anna Pierce

After fourteen years of faithful and efficient service as assistant Post Mistress at the local office, Miss Anna Pierce retired from Uncle Sam's employment last week and is now enjoying a well earned rest.

Always at her post, Miss Anna became a fixture in the office and her absence behind the cabinet is as sad as it is noticeable. She was kind and industrious and discharged the duties of the office with such graceful perfection that her retirement is regretted by all.

It will be a hard task to fill her place and it is safe to predict that no Post Master will ever have a better or more faithful assistant than Mr. Troutman, who has just turned the office over to a worthy successor.

During all those years, she has received and dispatched many

thousands pieces of mail and no complaints were ever registered against her by the many hundred patrons of her office.

The despicable dun, pestiferous biladoux, important business communication and the worthless patent medicine advertisement, all received alike her most careful attention. The rich and the poor, black and white, young and old, all praise her for her kind and uniform treatment and all regret that her smiling face no longer greets them where they call for their mail.

\*\*\*Educational Jottings

We had the pleasure of seeing and hearing Pres. Wilson take possession of the Lincoln Farm Monday in the name of this great nation to be forever used as a great national park. The crowd was estimated at 40,000 people and since the Farm is in the 4<sup>th</sup> district, our congressman, Hon. Ben Johnson, occupied a very conspicuous place in the

President's party. Senator J. R. Zimmerman and Hon. Lee Hamilton, of this County, were also in the Presidents party and enjoyed a seat on the speakers stand.

Everything is in readiness for the school reunion of Pitts Point Saturday. The old place has been cleaner, weeks cut, a speakers stand, seats, and best of all, the road from Belmont to Pitts Point is now in excellent condition. The road leading from Shepherdsville to Pitts Point on the lower Bullitt side, is also in fine shape and is the shortest and most direct line from here.

The committee on transportation met last week at Dr. Ridgway's office and Mr. Gwynn and family will be met at the train by Mr. O. P. Means and wife and taken down in his big touring car.

The Shepherdsville Brass Band, which is ably led by Mr. Woodford Troutman, has consented to furnish the music for the Gwynn school reunion at Pitts Point, Saturday night. This is the best brass band in any small town in the State and will in itself amply repay you for a visit to that once famous old town.

Several automobiles will be at Belmont to haul passengers to and from Pitts Point Saturday at a cost of 35 cents each way for each person. Don't be uneasy for you will find sufficient machines should you attend.

Last Sunday, Bro. McCormick and H. C. Combs closed a tent meeting at Victory School House. Fifteen professions of faith and the whole community seemed to be greatly aroused spiritually. I never labored among people that have more kindness and hospitality. This is a splendid community. Their greatest need is a Church building and a warm, spiritual, active Church. And I hope that they may soon have this blessing. I hope to return soon to preach in the School House and baptize those who desire to come into the Baptist Church. Signed H. C. Combs.

## \*\*\*Carriage Business Holds up Well

In spite of the wonderful run on automobiles which has only been

equaled by the similar sale of bicycles a decade ago, the carriage business holds up and the manufacturers predict a very satisfactory season in 1916, according to a Syracuse NY dealer in carriages and wagons.

"The elaborate type of surrey and station wagons are no longer a requirement", says this dealer, "but the serviceable road wagon and vehicles for hauling heavy loads are much in demand. The Automobile has in many cases replaced the horse, but the price for good animals is higher than it was ten years ago, and the same applies to wagons."

"Those who maintain stables in spite of the automobiles are buying harnesses of the same standard used years ago. It is quite likely that horse drawn vehicles will never return to their former popular favor, but they are passing out of use much more slowly than the average individual realizes."

\*\*\*For Jailer

In a recent issue of this paper, there appeared the announcement of Percy Mumford, of Belmont as a candidate for the nomination of jailer on this County, subject to the action of the Democratic Primaries, August 1917.

Mr. Mumford was borned (sic) and raised in the Pine Tavern district near Belmont and except a few years spent in the west has always lived in this county and not only is a true and tried Democrat himself, but comes from who old Democratic families who were never known to "scratch" a ticket. He is a farmer and has made a success of the business, a sober, up-right man, fair in all his dealings and stands well in the community in which he lives and if nominated and elected, will no doubt make a fine industrious official.

For nearly 43 years, he has been a faithful voter of his party, but never before asked for an office and is willing and anxious at all times to have his record as a neighbor, a business man, a farmer and a Christian gentleman carefully investigated and as such submits his candidacy to the people of this county.

\*\*\*Educational Jottings

The Gwynn School Reunion was well attended, not only by former students of that school, but by their children, relatives and friends and by hundreds of people from Bullitt, Hardin and adjoining Counties, who came to meet old friends and pay their respects to that grand old teacher, who perhaps did more than any other man for the educational uplift of the people of this section.

Besides the music furnished by the local brass band and a splendid address by W. B. Gwynn, at the close of the other features, were a roll call of all students and a wonderful review of "What that school has done for Bullitt County" by Sen. J. R. Zimmerman.

Prof. T. C. Cochran, formerly of this county, has just been chosen as head of the Dept. of Education in Columbia College at Lake City, Florida.

Miss Elizabeth Cash, teacher at Mt. Caramel, gave a pie supper and entertained recently and besides having a very pleasant program, realized about \$14 or \$15 from the sales of pies.

Kentucky is to have a new magazine soon, to be known as the "Kentucky Magazine" edited by Mr. Webster Huntington and printed in Louisville. It has the endorsement of Henry Watterson, Henry Barker, Jas. K. Patterson and many other scholars.

C. C. Daugherty, Prof. Sanders, Willie Mae Ridgway, Dr. Bates and many other teachers and

trustees attended the Gwynn School reunion Saturday.

The annual Bullitt County Teachers Institute will open here Monday, Sept. 18<sup>th</sup>, for one week's session with Prof. J. H. Sanders as instructor. Thursday evening, the common school diploma class will receive their diplomas. This class is composed of 50 excellent young students, the largest class ever turned out in this county and a large crowd will no doubt be present.

\*\*\*The Gwynn Reunion

Largely attended and greatly enjoyed.

The Reunion of the former pupils of Prof. W. B. Gwynn at the old academy at Pitts Point last Saturday was a notable event and will live as long life shall last and ever be cherished in memory of scores of devoted students who assembled there to greet and cordially welcome once more (for many, it may the last time) their former loved and now venerable instructor. Nature seemed to smile upon the occasion, the bright sunshine, tempered with gentle breezes made the day an ideal one and many happy, smiling faces as well as cordial greetings and generous hand clasps from long separated friends reflected her brightness and warmth. Prof. Gwynn was at his best. He stood at the entrance gate for quite a while with the same old kindly smile and warm grasp for all his old friends, pupils and more recent acquaintances. But one grasp of his kindly hand was necessary to tell that his whole heart and soul was in the joyous occasion. His three score years sit lightly upon him and few to

## Pioneer News 1916 - 1917, J. W. Barrall, Editor

Transcribed from microfilm by Edith Blissett in 2003.

whom his life's work was unknown, would ever believe him to have past the three score mark or that it had been thirty odd years since he left his work at the old academy for a broader field.

The Program, previously prepared, was carried out to the letter, and the exercises interspersed liberally with music by the Shepherdsville Brass Band, which did itself proud and received liberal rounds of applause, was greatly enjoyed by all present. Neither time nor space permits us to enter fully the details, but the welcoming address by Hon. J. R. Zimmerman, Quartette (sic) by Messrs Sanders, Ridgway, Bates and Roby, Song by Marguerite Sanders and Chas. Lee Bradbury were especially good and greatly enjoyed.

One of the leading features was roll call of former pupils: Both male and female, many of them answered in person, others by entertaining letters whilst numbers were reported as having "passed over the River" and are awaiting the Roll Call Up Yonder.

The crowning event of the day was the splendid address of Prof. Gwynn towards closing of exercises. For more than an hour, he held his audience spellbound with recital of his experience in years: now away down the streams of Time, in the old academy and of events in his busy and successful life since then. Amongst them, he alluded to his experience and the difficulties encountered in starting and establishing The Bullitt Pioneer, of which he was the founder and

first editor, which made him feel closer and dearer to the writer, who has always been one of his greatest admirers. He told of his success at Lynnland and how now he is enjoying life on his farm and happy home near Crestwood in Oldham County in company with his dear life's companion and their unmarried daughter and where he says the latch string hangs out and a warm welcome awaits any of his former friends and pupils who chance to come that way. May he long live to enjoy the goods so well won and so richly deserved for he is "The Noblest Roman of them all". God bless him.

\*\*\*A Matrimonial Martyr is a Pathe Gold Rooster Play in five reels of motion pictures, laid and photographed amid scenes of the most charming California scenery and then sent to Paris, France to be Pathecolored in natural colors. It is a drama with a trace of comedy running through it and a finish alike pleasing and amusing. This picture will appear at the Masonic Temple, Shepherdsville, and on account of its unusual character, Tuesday night, Sept. 26<sup>th</sup>, has been selected as a special date on which to show it.

### \*\*\*Miss Otis Mae Porter

Miss Otis Mae Porter, of Bardstown Junction, left this week for Auburn, Iowa, where she is to be principal of the Auburn school.

Miss Porter was principal of the High School in Mt. Washington last year, and it was through her efforts that the school became accredited and the new school building, which is now being erected, was made possible. She holds the "Western Normal Life Certificate". One of the two that have been granted to students from this county and since this certificate has been recognized by almost every State in the Union, she goes where she pleases without examination. There are three kinds of Life Certificates - One which is granted because of

The following teachers took the Sept. examination here Friday and Saturday. O. W. Pearl, Cora Roby, Clara Funk and Mattie Funk.

We regret to note the death of Mrs. J. R. Thompson, wife of Prof. Thompson who taught here a few years ago. They were living in Alabama where Mr. Thompson was teaching and his wife had only been sick a short time when her death occurred. She was one of the most excellent women that ever lived in Shepherdsville and this leaves three small children. Her remains were brought back to Kentucky and buried near Horse Cave Thursday.

In last week's paper, our

committee gave a list of all who donated to the fund for the Gwynn School Reunion recently held and since then, we have received a letter and \$1.00 from Mrs. (sic) Hal Kinnison, of Arizona, a former Bullitt County boy, who is making good in that state and who attended school under Prof. Gwynn some 25 years ago. Mr. Kinnison wrote a fine letter regarding his inability to be present and expressed a desire that those reunions be made an annual gathering.

The school board recently appointed the following for the coming year to teach the school at Mt. Washington: Oscar Pearl, Principal; Mary Bell, Grade teacher; Sara Jane Buckman, assistant. Mr. Pearl, as principal, will have charge of the High School recently established there and approved as such by the High School inspector and is a well-known man, a very high class gentleman, and spent some 10 or 15 years in the school room before he was elected Circuit Court Clerk of this County in 1898. Miss Bell is an unusually popular young girl of the Huber neighborhood, bright and studious and will no doubt be a valuable help to Mr. Pearl in making the school a success, while Miss Buckman is a graduate of the high school here, holds a high grade Certificate, is well liked and along with Miss Bell, Miss Funk, Miss Ridgway and others put our town on the map here last winter by their splendid basketball team, which claimed the State championship of Kentucky.

The following teachers are here this week attending the Institute: Cecil Funk, Mattie Funk, ??ena

Howell, Eunice Ridgway, Nancye Jeffries, Edward Barrall, Maria Atkisson, Nellie Mae Scott, Margaret Hardesty, Lena Ice, Geneva Joyce, Stella Brumley, Grace Griffin, Verna Funk, Zella Owen, O. W. ### \*\*\*A Letter

A letter from Prof. Gwynn, Crestwood, KY. Sept. 12, 1916.

Dear Bro. Barrall: I want to thank you on my own behalf and the behalf of all my old friends, patrons and pupils who were so fortunate as to be at our "Reunion" at the old Pitts Point Academy last Saturday. It was a day that comes perhaps but once in a lifetime. The weather was ideal and all hearts were happy. Some happy with innocent childish mirth, all unconscious of the great demands the future will make upon them. Many happy and joyous in the full strength of manhood and womanhood crowned with success that has baffled adverse circumstances and stands triumphant over every obstacle. Many happy with a sober, subdued happiness that can come only through resignation and gratitude. Many others were happy in the hopefulness of what the future offers. All were happy, though time has changed many of us so much that it would seem paradoxical that we should be happy. But our spirits are as youthful as ever and we know that though we grown old and "cross the river" one by one, we will meet and be forever the same on the other shore.

For this happy day, we want to thank Mrs. S. B. Magruder, who wrote, "Retrospection" and thus

## Pioneer News 1916 - 1917, J. W. Barrall, Editor

Transcribed from microfilm by Edith Blissett in 2003.

started this movement and the Editor of the Pioneer, who published the article, and so generously helped through its columns, also Supt. Roby whose willing heart and masterful hand helped so tirelessly from start to finish, also Prof. Sanders for his leadership in the music and the precious little boy and girl who sang so beautifully for that grand throng of admirers and the members of the "Band" for their many and happy renditions. Individually, I most sincerely thank Hon. J. R. Zimmerman for that splendid address so full of tender memories, touching references, beautiful pictures and wholesome encouragement and inspiration. May this fruit of his observation and this effusion of his heart go far toward lifting the clouds that so often lower in the skies of the young student.

To my dear old pupils, I want to say that the day you gave me last Saturday richly compensates for the strenuous efforts and the great weight of solicitude in your behalf long ago, you have made good and I am grateful to my Heavenly Father that he sent me in the morning of my life to that rugged and neglected community, where a response awaited on patient toil and hopeful effort, the result of which was so manifest last Saturday, so I pulled the cord and rang the old bell one more you came trooping in to know if that was the "first bell", was it books? My tears fill, my heart throbbed with emotion, but I was happy.

The "Roll Call" was a most anxious feature of the day. Many answered "present" and some made beautiful brief remarks,

others were heard from in eloquent, fervid letters, but many, yes, many were not on earth to respond, but gone before to await the time when all will be present at the "Roll Call" in eternity. Now let the committee on Roll Call and Necrology put together all letters, telegrams and get a full and correct list of the names and incorporate them into a "Roster", form a permanent "Pitts Point" organization for happy days and future good. Any may our Divine Father still guide, and keep us, everyone till he sees fit to say "Enough, come up higher". As ever and always, most sincerely, W. B. Gwynn.

### \*\*\*Gerney Parker Passes Away

On July 15, 1916, the shadow of death cast its gloom over the entire community when the messenger of death came into our midst and claimed for its victim the immortal spirit of Gurney (note different spellings) Parker, and he submissively yielded his spirit to the God who gave it. Gurney had been sick seven months with Tuberculosis and all was done for him that loving hands and skilled physicians could do, but nothing could stay the icy hands of death. He had realized that he could not get well and told his mother not to weep for him, he had the sweet assurance that all was well with him. He told his mother he was going home. He leaves a father, mother and sister, Mrs. Mattie Edlin of Elizabethtown, Ky, and four brothers, Clell, Bill and John of Colesburg, Ky, and Rube of Ripley, Miss.

A few weeks before his death, he professed faith in Christ and was

united with the Baptist Church at Bardstown, Ky. He told his mother he was ready and willing to die. God, in his wisdom and love, saw fit to call him so we all have to bow in humble submission to His will. His remains were laid to rest in the Bardstown Cemetery on July 17<sup>th</sup> by a large number of sorrowing relatives and friends. A brother, Rube.

### \*\*\*Champion Squirrel Skinner

Any pretty girl who desires to wed a man who is an artist in and at skinning squirrels should set her cap for Charlie Shoptaw, for he is middle weight champion squirrel skinner for the fourth congressional district and possibly of Kentucky. At one time, it looked as if John Buckman could shuck a squirrel quicker than anybody, but John is an ice wagon by comparison. Charlie could migrate to the mountains and make a fortune skinning squirrels if he so desired, for he can certainly undress one in a jiffy.

Service last Sunday at Little Flock Church by Rev. Beason of Alabama.

Died, Sept. 6, 1916 at his home here, Jessie Grant, only son of William Grant, after a long illness of tuberculosis. He leaves a young wife and one little child besides his father and stepmother, three own sisters and one step sister to mourn his loss. Jess was one of our boys, honest and industrious. His honor was unquestioned and his friends were many and loyal. We need such men, but God has taken this one away in his youth and we know it was best. His funeral was preached at Hebron by Rev. Sudbury, after which his remains were interred in Hebron Cemetery in the presence of a large concourse of friends. We tender our sympathy to the stricken family. They sorrow, not as those without hope, but they hope to meet Jess where sickness and partings are no more.

Died Sunday night, Sept. 10, 1916, Mrs. Julia Bailey, aged 79 years. Mrs. Baily had been ill for several months and the end was expected. Mrs. Bailey was the widow of Geo. T. Bailey and had lived here for many years. She is

survived by three children, Mrs. Bell Hansbrough, of Louisville, Miss Emma Bailey and Geo. Bailey, of Hebron and 8 grandchildren. Se had been for many years a member of Little Flock Baptist Church and had worked faithfully for its interests and her house had been her pastors home. She was a woman of decided character and always had the courage of her convictions. She is survived by one brother, H. Q. Wheeler and sister, Mrs. Rebecca Quick, both of Okolona. Her funeral was held at her late home by Rev. G. C. Hoagland, of Cox Creek, a former pastor and her remains were laid to rest by the side of her late husband in Hebron Cemetery. We tender sympathy, especially to the devoted daughter who was her companion so long.

Dr. Cooper is building a handsome new residence.

Our teachers are attending the Institute, our children are at large these beautiful days and we, the parents and guardians, are grumbling. Why not have the Institute before schools open and let the teacher pay for the instruction they are supported to derive a weeks holiday is most demoralizing to a school, so that the following week is spent in reorganizing? Whey cheat the children.

Mrs. Frank Bell had as guests for the weekend two pretty nieces from the city whose names I failed to learn.

Trustee Lee Tierney, of the Highland school was in town last week and says his big school of nearly 100 children will come to the school rally this year on a big truck, if the weather is favorable.

All roads of every kind have been worked this year and fully 90 per cent of the rural schools have

already made arrangements to attend the big school rally in wagons at the Bullitt County Fairgrounds, Oct. 14.

As before, at our school rally, only one pupil can enter the contests from the same school. Teachers are, therefore, requested to hold their own contests on Friday preceding the rally day to decide their best pupil for each contest and ages will be decided by the 1916 school census list for the athletic contests.

Brass band to play, bigger than ever, parade route announced.

We are indeed glad to note that we have just received information that many automobiles loaded with school people from Hardin and Jefferson County will be here on Oct. 14<sup>th</sup> to attend the fifth annual Bullitt County School rally.

Several counties in Kentucky has attempted school rallies or school fairs since we began in 1911, but have discontinued for lack of funds for prizes, band (?) and other expenses while ours is made possible by the generous gift of the late Col. Samuel M. Simmons.

Don't forget to look up your speller for every citizen in Bullitt County is eligible to enter the "Spelling Contest" October 14, the last thing in the afternoon and spell or try to spell a few dozen practical words gotten out a few months ago by Prof. Rice Eubanks, of Lexington, Kentucky. This contest is in the hands of Mrs. Mattie Renn (?), Miss Mary Hall and Ora L. Roby and will be held as State and County examinations are held.

The Lebanon Junction school and

the Shepherdsville school have arranged for a base ball game here Oct. 14<sup>th</sup> immediately after the school rally closes.

Any pupil desiring to make an entry in classes A to F can now get entry tags by writing Mrs. Ora L. Roby. Please do this at once and avoid the rush at the Rally.

The general refreshment privilege at the coming school rally, Oct. 14<sup>th</sup>, has been sold to Tom Adams, Harve Davis, Ben Crenshaw and Fred Ridgway for the largest and best price ever given which is evidence in itself that the coming rally will be the biggest and best ever held in Bullitt County, Kentucky.

## \*\*\*Notice

### \*\*\*A Trip

Last Sunday, away along in the afternoon, while the sun was hastening adown the western skies, a young man of and from Shepherdsville, stood on the wharf at Madison, Indiana, and gazed longingly and wistfully at the Homer Smith, which was disappearing around a bend in the Ohio River, and pulling back to Louisville with its cargo of pleasure seekers.

The above young man had gone up on the Homer Smith, and with his best girl, had disembarked at Madison, intending to catch the boat when it came back, but alas, "Blue Eyes" was so pretty and her conversation was so charming, and the skies were so clear and blue, and the flowers were so pretty, and the September sunshine was so warm and bright, that the young couple quite forgot where they were, why they were, where they came from or when they were going to leave, and so when they finally walked back to the river and asked about the Homer Smith, they were informed that it was way down stream on it's way home. The trains had all

left, there (fold in paper, line missing). About the time chagrin gave way to despair, Clyde Troutman, of High Grove, came along in his machine, and taking in the situation, also took in the young pair and brought them to Louisville. T & Port.

\*\*\*Address of Hon. J. R. Zimmerman delivered at the Reunion of Prof. W. B. Gwynn's old pupils at the Old Pitts Point Academy, where he began his teaching thirty-seven years ago.

My friends,

You have gathered here today after a period of twenty-five years and more to renew friendships, revive sweet memories, clasp friendly hands and look through the glasses of men and women of mature judgment at the man who was your master and teacher in those golden days and who gave the best years of his vigorous manhood to the grand work of

## Pioneer News 1916 - 1917, J. W. Barrall, Editor

Transcribed from microfilm by Edith Blissett in 2003.

teaching the boys and girls how to prepare themselves for the great conflict of life.

In that end, and for that purpose, a great throng of former pupils and friends have assembled upon these historic grounds, men and women in the form, but school boys and school girls in spirit, come hither to walk once more the neglected streets of this once populace village and to play upon the green sward once teeming with their playmates, to stand again by the onrushing river and watch the yellow (looks like) tides flow seaward and (two line in a crease in paper missing), which rang so joyously there more than a quarter of a century ago.

You are larger of form, slower of step, and your voices have lost the silvery tones of childhood, but today, you are school children once more; to day, time has turned backward in her flight; today the deserted village has been repeopled by many of those who peopled it then, and today, the golden gleams of the same September sun lave this beautiful valley that vied with your childish spirits back in the eighties.

As has been so beautifully said by Scott, "Time rolls his ceaseless course the race of yore", and as we look in vain today through tear bedimmed eyes for loved schoolmates whose forms have long since passed from the habitation of man to the dwelling places of the dead, and listen for the sweet tones of voices which are heard no more, save in the sacred halls of memory, we are sadly reminded that many years have gone the way of all the past

centuries, since the dear old building which stands here today, storm-beaten and devastated by the destructive years, pulsed with life and rang with the harmonic music of childish voices.

To those who have been busy with the cares of life, it seems but a summer since those who have gathered here today were boys and girls, going to their homes at the close of school with newly acquired knowledge gathered from their master and books, and come back in the morning with well studied lessons prepared to begin the new day, but when we look upon the destroying touch of time, and look upon the names of those who fail to answer the roll call, we are conscious of the fact that many years have passed since we gathered here as pupils, and with those fleeting years have gone many of our brightest and best pupils who have crossed the bar and rest upon the farther shore.

"Do you remember sweet Alice, Ben Holt, sweet Alice, whose hair was so brown?"

Who wept with delight when you gave her a smile, and trembled with fear at your frown?

In the little churchyard in the valley, Ben Holt. In a corner, obscure and alone.

They have fitted a slab of the granite so gray, And Alice lies under the Stone."

Looking back today, through the many years which stretch away from the present to the school days here, how many, oh, how many of our sweetest and best pupils have been placed in some

little churchyard in the valley, beneath enduring slabs of gray granite, to await the call of the Great Teacher of all teachers when the appointed day shall come.

Today, while we look into friendly faces and clasp friendly hands, and hold sweet conversation upon these dear old school grounds, let's hold in sweet remembrance our beloved fellow pupils whose lives ended before the great battle of life had fairly begun.

No section of Bullitt County possessed a stronger minded, sturdier and thriftier population than this when this school was in its zenith. There were names that carried respect and admiration wherever heard, and they were among the best socially, financially, politically and otherwise.

The Dawsons, Hardys, Hays, Lees, Hibbs, Pearls, Greenwells, Hargans, Fosters, Chambers, Hornbacks, Myers, Godds, Tydings, Glenns, Quicks, Ellisons, Ashbys, Fromans, Griffins, Hills, Smiths, Raymans, Cowleys, Vessals, Cochrans, Howletts, Brashears, Wises, Wooldridges, Moores, Stovalls and many others whose names have temporarily passed from my memory, were strong factors in building up Pitts Point, and making the Academy what it was.

My mission today is to tell you of the influence this school wielded and still wields in Bullitt and surrounding counties. In my opinion, a more appropriate subject would have been, "In Kentucky and other states", for wherever a Gwynn scholar is

## Pioneer News 1916 - 1917, J. W. Barrall, Editor

Transcribed from microfilm by Edith Blissett in 2003.

found, whether it be in the grand old State of Kentucky or in some other state, there you will find an influential man or woman impressing their high ideals upon those with whom they come in contact by their clean lives.

From this institution, forty female teachers and twenty-five male teachers have been sent out into the world equipped for the great profession of teaching the young. They carried from this old building, out to sixty-five other school buildings, the Gwynn idea of discipline, industry and ambition, and from no other school within the memory of my audience, have such splendid and efficient teachers gone forth.

Two of our leading physicians, who have high standing in their profession and otherwise, once came to this school, and three of the boys who came here to equip themselves for life's labors, became members of the Bullitt County bar, and of those three, one has become one of the leaders of the Kentucky bar.

Politically, the pupils of this school have done well; one has been County Attorney, one of them was Clerk of the Bullitt County Court; one was Circuit Clerk; two have been sheriff, one deputy circuit clerk, one deputy sheriff, and Henry Cochran has been highly honored in his Missouri home, so has Dave Lee.

It has been along the cool, bequested walks of life that the pupils of this school have displayed their real worth. In the school room, they have demonstrated beyond all question, their worth as teachers, and in their homes, as mothers and

fathers, and husbands and wives, they have shown their true value as citizens.

Wherever found, on the farm, in the office, or school room, in the home or profession, they have shown themselves courageous, honest and worthy, and such traits must be traced back to the homes in which they were born and the school room in which they were taught.

We are here today to rekindle old fires, rebuild fallen shrines, drink again from the fountain of inspiration which flowed here in the glowing days of childhood and carry back to our homes at the close of this day, sweet memories and high resolve and clearer ideas of life.

The memories of Pitts Point Academy shall live as long as the pupils of that Institute shall live; and the influence of this school shall live long after the lion-hearted, strong minded Master and his beloved pupils shall have gone to rest eternal, for this school was founded on Truth, Justice and Fear of God and such foundations shall never be destroyed.

More than three hundred pupils came here ..... knowledge and they drank from the fountains, pure and undefiled, and when school days were ended, went out into the world to teach and live the lessons which they had learned here.

They were taught the lessons contained in the text books, and were taught more than that. They were taught the value of industry, the beauty of truth, the glory of self-reliance and personal

independence, and the love of God, for trusting, obedient men; and when the Master sent them out into the world, they were not burdened with useless knowledge, but went forth armed and equipped for the fight.

In Bullitt, Hardin, Nelson, Meade, Jefferson, and many other Kentucky counties, hundreds of happy homes are presided over by former pupils of this old Academy. They are tilling the soil, keeping house, teaching school, practicing medicine and law, selling merchandise, and engaged in almost every honest calling and wherever found, they are, as a rule, honest, industrious, law abiding, God fearing, independent citizens. The old building which sheltered and protected you in your school days is rapidly yielding to the inroads of time, but roof is decaying, the walls are giving away, and in a few more years, the pitiless hand of time will have swept it from sight, and the wild winds shall sing their mournful numbers above the spot on which its four walls rest, but the glorious truths there shall never die; and long after the master and the last of the pupils shall have given back their souls to the Maker, the influence of this situation shall be felt in this and other counties.

What influence has this school had? It filled the homes of Bullitt and other counties with educated boys and girls, boys and girls who were taught the values of personal independence, the values of industry, the value of patience, the value of intellect, the value of personal effort; the value of good citizenship; the value of virtuous womanhood; the value of a

## Pioneer News 1916 - 1917, J. W. Barrall, Editor

Transcribed from microfilm by Edith Blissett in 2003.

manly, courageous manhood, and above all, the value of a Christian life.

Do you wonder that it has wielded a great influence at home and abroad? Do you marvel that the pupils of this man and this school have been so successful in life, with such teachings and such splendid codes of spiritual, moral and social laws?

Every living pupil of this school who is not here today in person is here in spirit, and many prayers have ascended heavenward today from many portions of the earth from men and women who were scholars here, asking for the success of this day, and that heaven's blessings may rest upon those who came. And while we mingle and rejoice with the living who are here, recounting the many experiences of our past lives, may we not forget those who are not here, and who are not among those who live, but who are sleeping somewhere the last long sleep. They may have sunk to rest far from the green fields and smiling streams of their old Kentucky homes, but today, let ..... love lighted hall, and while we shed tears of joy over the return of some beloved friend, let's shed tears of sadness because some dear one has fallen into sleep eternal and cannot come.

Today this village wears an air of joy which it has not worn in the past twenty-five years. The vanished have returned, master and pupils have come back and the whole countryside is here to bid you welcome. Many, very many, who were here in those days are not here today to

welcome you back. Since you left, buildings have gone to decay, trees have vanished, familiar landmarks are gone, but the Old School Building still stands, and some of the older friends who were here then are here today to bid you welcome and help make the day enjoyable to you. Wafted back from the invisible shores of long ago in the tender breezes are the voices of loved ones who once stood beside us here, and we can picture their youthful faces today as fair and animated as in the days when they walked arm in arm the play grounds or bravely contended in the class rooms for the approbation or praise of the master. Would that those absent ones could stand once more with their fellow pupils about this storm beaten house and recount the happy events which transpired herein those unforgotten days.

Would that all the pupils might stand beside their teacher today and listen to his inspiring words, but the decrees of fate have been written and they decrees of fate shall never be revoked.

With your permission, I shall say a few words regarding the man to whom you owe so much. He did more for Bullitt County than any other teacher who ever taught in this County.

He taught more than the contents of school books. He taught the ten commandments, he taught a philosophy which transcends the philosophy of mere text books, and he taught industry of body and brain, honesty of heart, mind and body in theory and practice.

He filled his pupils with energy and ambition and taught them the beauty of forgiveness. He taught

them thrift, independence and reliance and courage. He taught them how to live and how to die and having so taught them, sent them forth to the great battlefields of life, ready to take their places and fight for name, wealth, position and respect.

I deeply regret that I never knew him until after he had left this school, and I feel profoundly sorrowful because it was not my great privilege to sit in his school and learn life's lessons from his lips.

How firm should be the friendships and how lasting the love of this accomplished teacher's pupils, and friends who have gathered here on this memorable day, their lives, health, and minds spared and protected by a loving God and how full their hearts should be of thanks as they journey off toward the silent, shadowy hour of sunset.

Looking today upon this historic building, and looking back towards the days of its glory, I can see in my mind's eye the scores of happy boys and girls who came here to drink from the fountains of knowledge and truth. I can see the girlish pride and boyish glory of the (one line missing) as they played upon these grounds and passed in and out of the old Academy doors.

Death has thinned your ranks, and disease has wasted many forms and sorrows and joys have come side by side and golden hopes have been blasted; wedding bells have rung out their glad message of joy and the solemn tones of funeral bells have told their story of sadness.

As we say good-by at the parting hour this afternoon, for many it may be a final farewell on this earth, and may faces which wear here today the smile of gladness may before long, be dampened by tears of sorrow.

May you meet here again in reunion as you have met today and may your lives and the life of your beloved teacher be filled with joy, may your years be many and may your good influence live and spread as the waters which cover the sea and finally, when your day has ended and the shadows fall eastward, may the former Principal of this famous old Academy and all his pupils be gathered over yonder on the ever green campus of that Eternal School, whose Principal is God.

\*\*\*Paper is Paper. In the sixteen years which I have been in the newspaper business, I have never seen it so scarce or high. In January I bought paper at \$47 per ton and today it is worth \$140 per ton and you can't hardly get it at that. I ordered a ton and have not been able to get it yet and this week we are using odd sizes and different kinds of paper to get the paper out this week but hope to have some paper soon.

#### \*\*\*Educational Jottings

Miss Edna Starks gave a Box supper a few weeks ago at her school at Pleasant Hill and made something over \$30 for her school. Miss Lillian Thompson, teaching in an adjoining district, Cedar Grove, and Miss Gladys Welch, teacher at Oak Grove, each gave similar entertainments last week and the former cleared over \$40, while the latter made a nice little sum of something near \$25.00

The manner in which all funds are used which are raised by the public in each local district may be determined by the trustee and teacher, but the law now requires that the teacher make and send to the County Board an itemized statement of how it is spent.

Mr. and Mrs. D. O. Gober will have charge of the mental contests Saturday at the Rally and all award cards for premiums in that department will be paid by Mr. Gober before the pupils leave

the dining room so be sure to ask for yours.

The School Board met Monday and besides the usual line of work, discussed the erection of a new school house at Hebron and heard requests to divide the district into three smaller ones. They expect to give consideration to all and will begin building in the early spring.

The Shepherdsville School baseball team defeated both the school team at Lebanon Junction and Boston Saturday.

Several trustee elections were held Saturday and many new trustees were chosen. The old trustee will serve out the present school term and the new trustees will not be sworn in until March 1917 at which time a new County Board will be chosen.

The school at Lebanon Junction has been encouraging Manuel Training this year and the result is that 51 articles have been made by that school and will be on exhibition here Saturday at the Floral Hall. Prof. Fallis has just written in asking for entry cards and will make the largest number of exhibits that any school has ever made to date.

The fourth congressional Educational associates will meet this year at Hodgenville, Ky Friday and Saturday, Oct. 20 and 21. Any teacher desiring to attend will be given Friday, as this will be a splendid chance to see the now historic little town and at the same time attend the meeting.

\*\*\*In Loving Remembrance

Of Rev. T. J. Ramsey, who was called from earth to Heaven on July 28, 1916.

Bro. Ramsey was born Dec. 27, 1839 being 76 years of age. He was married at an early age to Miss Melvina Gibson, of Indiana. To their union were born four

children. Mrs. Charley Funk, Mrs. J. M. Barrall Jr, Mr. James Ramsey Jr and Everett Ramsey, left to survive him are his two daughters, two sons, two brothers, Mr. James Ramsey Sr, of Lagrange, Ky, Mr. David Ramsey, of Rianzoe, Miss., three sisters, Mrs. Ruth Moore of Leonard, Texas, Mrs. Edward Jones of Texas, Mrs. Fredonia Shields, of Greenville, Texas. He also leaves ten grandchildren, whom he so much loved, Misses Mattie Mae, Mabel, Eulah, Bessie and Evelyn Funk, Hazel Ramsey of Lexington, Aldena Ramsey Barrall, Walter and O. Funk and Henry Kendall Barrall.

Since the death of his wife 12 years ago, Bro. Ramsey made his home with his daughters. He died at the home of his daughter, Mrs. Chas. Funk. He had been in failing health for two years. Bro. Ramsey began preaching when almost a youth and continued to do so as long as his health would permit. He was a loving father and grandfather, and the M. E. Church has lost one of its most loved ministers. But, dear children, weep not. For some day you will meet him and your Master in that land where partings are unknown. His funeral was conducted by Bro. Hardin and he was laid to rest by the side of his wife and Knob Creek Church where in his younger days, he conducted S. S. for 25 years. Many who read this remembrance will remember his kind loving voice and sweet words of comfort in hours of distress.

by our pastor, Rev. Z. M. Leverett closed last Sunday with six additions. Bro. Leverett is a wide awake S.S. worker, has made arrangements to be with us every Sunday. He has charge of the Men's Bible Class.

School is making excellent progress. All the students are interested from the beginners to the splendid High School class. Great preparations are being made for the Rally.

Quite a number of people in this vicinity have been ill recently, but most of them are recovering now.

We desire to extend our heartfelt sympathy to the family of William Wolfe, of Lebanon Junction, who so sadly met his death while on duty at the switch yard.

Mr. L. Laswell and family of Hardin County have purchased and now occupy the residence of E. L. Boyd in this place. Mr. Laswell is one of our leading merchants here now. We were deeply grieved to part with Mr. Boyd, but trust that purchasers will be able to take his place in hearts of the people.

Miss Ada Greenwell was the guest Saturday and Sunday of Miss Minnie Deacon and attended church at River View.

Last Friday morning, Oct. 6, 1916 at 11:30 o'clock, the death angel came into the home of Mr. and Mrs. John Lane and claimed their little granddaughter, Louise, past 3 years of age. She was only sick a few days and Dr. Bates was summoned and pronounced she had diphtheria. She was taken so quickly from the bosom of those into whose lives she was so tenderly loved and cherished. But our loving Heavenly Father has deemed it best in his infinite wisdom to call her home. Weep not for little Louise, she will be a bright shining angel on the resurrection morn. Her mother, Mrs. Etta Noe, was called to her bedside from the city, but only reaching her in time to see her breathe her last and on the following day, her remains were taken to Cedar Grove Cemetery for burial. We join in sympathy for the sorrowful family who loved her so dearly.

\*\*\*Dickey Brotherhood coming.

A few years ago, there was a group of men numbering about twenty or thirty, which met each Sunday morning to study the Word of God. They decided they would get busy. The group soon began to grow. It was not long before they reached a hundred, then two hundred. Now they have

a membership of several hundred, and the Dickey Brotherhood is famous among Sunday School circles in Kentucky. Twelve of the pick of these men are coming to Shepherdsville Sunday night to tell us how they did it. The night service at the Methodist Church will be turned over to them, and it is certain that they will say things worth hearing. All of the people of Shepherdsville, especially the men, are cordially invited. The meeting will begin promptly at 7:15.

\*\*\*Educational Jottings

Miss Ethel Jenkins, primary teacher at Clermont, was quietly

married last week to Mr. Douglas Robards, a well known young farmer of the Hebron neighborhood. The primary room is now in charge of Miss Edyth Clark, substitute teacher for the Leaches division.

Miss Lena Ice and Miss Bertha Trunnell opened their schools at Beech Grove and Victory Monday.

Buch Hutchenson, (sic) of Pitts Point spent a few days in jail here last week for failure to send his children to school.

Miss Mary Hall, who has taught several years in the school here, resigned a few days ago, and after getting the consent of the school board here, accepted a place in the Louisville city schools. Miss Hall is an unusually sweet, cultured lady and our town and community regret to lose her, but congratulate Supt. O. L. Reid for securing her services and have no doubt that she will make an excellent primary teacher in the city schools of our largest town.

The place made vacant by the resignation of Miss Hall was filled by Miss Blanch Crawford, of Mt. Vernon, Ky.

Miss Edna Starks, teacher at the Pleasant Hill School, has enrolled 26 pupils and on the day of our visit to her school, we found 26 present. A rather unusual thing in any school.

Miss Neva Magruder, of the Woodsdale school near Lotus, is at home sick.

Something over 500 visitors from other towns and counties were here Saturday attending the School Rally, which was

decidedly the largest in every way of any previous year.

The first installment of the teacher's salaries arrived Saturday and checks are being mailed out to all teachers today. Teachers will find a slight decrease this year and \$5.25 last year. This is the first time, as far as we know, where the per capita has ever been reduced and we feel sure it will be at least \$5.35 next year.

### \*\*\*School Rally

The annual School Rally which was held at the fair grounds was in every way a success, even greater than the previous rallies have been and proved, conclusively, the deep and constantly growing interest taken by the citizens of Bullitt in the cause of education. Every school district in the County, save two or three which were prevented by sickness amongst pupils amounting to almost an epidemic. The floats this year were more numerous and handsomely decorated than ever and the parade which traversed our streets, headed by the Shepherdsville Brass Band, and disbanded at the fair grounds, where the day was spent in contests between pupils of the various schools and social greeting and intercourse of the older ones. Keen rivalry in both athletic and mental contests was the order of the day and proved the deep interest of both pupils and teachers in the rally. The day

was an ideal one for the occasion and will long be remembered by all whose good fortune it was to be present. Many kindly expressions of grateful remembrances to the late Col. Samuel M. Simmons, who contributed so liberally to the founding of these rallies, with a permanent endowment for purpose of defraying expenses thereof were heard. That deed and his generosity towards the cause of education will always be remembered and appreciated by the people of Bullitt County.

### \*\*\*Jenkins - Robards

On Wednesday evening, Oct. 11, Miss Ethel Jenkins and Mr. Douglas Robards were united in marriage by Rev. Fox, pastor of Parkland Baptist Church, at the home of the groom's sister, Mrs. Will Whitman, of Parkland.

The bride was especially beautifully attired in a blue traveling suit, while the groom wore the traditional black. Immediately after the ceremony, the bridal party was ushered into the dining room where supper was served. Covers were laid for 27 guests.

Mrs. Robards was one of Bullitt's best teachers and Mr. Robards is a prosperous farmer of Zoneton. The best wishes of their many friends go with them through their journey of life.

\*\*\*N.... and Whites

Curran Troutwine has returned from Detroit, Michigan where he

spent a couple of months. He says the natives up there eat with the Negroes and treat them as well as they do the white people. Michigan has long been noted for its great love of N---. The N--- is a welcome fellow in Michigan, where he is treated as an equal. Wonder is why more N--- don't go up there and live.

It's no trouble to find mixed schools up there, and less trouble to find the two races eating and hobnobbing together.

That kind of doings may suit those hide bound Republicans up in Michigan, and other Republican states, but it does not suit the white people down here in Democratic Dixie, where the colored man loves to life. Down here, he is a n---- by color, and is treated as such and is far happier here than up there.

handshake and perhaps a drink and cigar, and told to come out on election day and vote for "Abe Lincun" and Gen. Grant, and barring death, he'll be there. Every young man who casts his first vote in this election is offered th the Republican party, political fellowship with the N—. He is invited to fall in ranks with political soldiers who are mixed, one white and one black. By the Democrats, he is offered fellowship with a lily white party that contains all whites.

And, while the colored man is giving Republicans trouble now, he will prove more troublesome as time goes on and he becomes educated and enters the professions and trades and tries to claim professional and social equality with the whites.

Already the Republican party has given many offices to the N—, and right here in Kentucky, a N— by the name of Asbury was nominated by the Republicans for Register of the Land office, and that N— got just about as many votes as the white candidates.

Last summer, the Republicans sent eight delegates at large from Kentucky to the National Republican convention and one of those delegates was a N— editor by the name of Brown, from Hopkinsville KY.

We never met delegate Brown - Republican Delegate Brown, if you please, but his picture showed him to be a big fat, ebon hued fellow and it looked as if he hated to have his picture placed in the paper with the seven white delegates. The Republican party was bred and born in the North. It is a foreign fee, and was created

to fight the South and Southern Institutions. And today, the Northern Republican hates the South and all her ideals and sentiments, and we of the South have very few real friends in the Republican party up North.

In the North, the Republicans believe in the equality of the two races. They believe that a few years in public office and in white schools and white parlors will take away the color and smell and make the colored brother just as white and intelligent and good socially and in all other ways, as the white man.

Hughes is making a sectional fight. He hates the South and if elected President, will make the lot the South harder than it has been since the days of the carpet bagger and N— governors and legislatures.

Let every Democrat in Bullitt County get busy and see every Democrat he can, and urge them to got out and help out vote the N—, for the white Republicans have worked them up, and they will be out in full force on election day.

### \*\*\*You Kissed Me

The above entitled poem has been submitted to a local Board of Censors, composed of "June" McCormick, James Hardaway and Jimmie Lee Williams, and pronounced superb. Members of the board say it is surpassingly beautiful and commend it to the reading public. We publish it at their request. (It is a long poem regarding a lovers kiss. I have chosen not to transcribe it. Just a note if the above are your ancestors)

### \*\*\*Democratic Speaking

Hon. George W. Triplett, the "Western Kentucky Whirlwind" stumper, will speak at Pleasant Hill School house Friday evening, Nov. 3<sup>rd</sup>, at 7:30. Let everybody, men and women, come out and hear a fine speech. J. R. Zimmerman, Chairman, Democratic Campaign Committee.

### \*\*\*Public Sale

Croan Bros, James Roney, Auctioneer.

### \*\*\*Belmont

Belmont is again settling down into the routine of its duties after the great event so well named, "The School Rally". For a time, all was excitement and interest. No one had time to attend to their own affairs, for they were so enthusiastic over the chief event of the year. Boys and girls, men and women, all worked with a will and zeal never seen before. They began early and toiled late, never reflecting or a moment on the question of being tired. They decided to think of that later. The results of all ths labor and time expending were two of the most

gorgeously decorated floats that could be seen at the Rally. They were indeed beautiful, but it is useless to repeat that compliment, for all there were bound to see and notice these floats. In addition to the wagons, an automobile belonging to R. F. Davis was decorated until it resembled a "Dream of Beauty", fit to convey a princess to her castle on her bridal day. Bob Davis Jr was the chauffeur. It really deserved the many flattering compliments passed by the spectators. Numbers of the pupils went from here and declared they had never enjoyed themselves more in one short day. Surely an event that creates so much interest and brings so many people together should continue to be of greater interest each year. Long continue our School Rally and "thanks" to the generous gift of man who made it possible for us to enjoy this "wonderful" day.

Our church is still of great interest in this community. Our attendance is steadily increasing in spite of the fact that the dreary season of the year is approaching. "Belmonters" do not mind the chilly winds and muddy streets, where Church or school is concerned.

A number of people here have been ill recently, but are improving now.

Miss Bertha F. Engle was the guest of Mrs. Herman Shepherd, also had as her guest for the past week her cousin from Brooks.

Mr. and Mrs. Clarence Dawson were the guests of Mr. and Mrs. C. A. Hill Sunday.

Pies will be of different kinds, black, white, cream, pink, chocolate, mince, custard, orange and lemon. Boys, bring pocketbooks and girls bring pies.

### \*\*\*Notice to Farmers

Mr. T. B. Miller, of Jefferson County, who will operate a pickle factory at this place in 1917, has left contract with Mr. J. F. Collings for those who are going to raise cucumbers. He wants the contracts signed as soon as possible in order that he may make all necessary arrangements about securing seeds. A delay in signing the contracts may result in a failure to get the seeds, so come in at once and sign them. He also wants the have a switch built and necessary tanks, and all this is delayed by the failure to sign the contracts.

Saturday night, October 28<sup>th</sup>, has been set for the Freshman and Sophomore "Halloween Party".

We closed our baseball season very successfully by winning a double header last Saturday. The first game was played with Boston which proved a very interesting one. After the first inning, Prof. Martin did the twirling for Boston and caused us more trouble than any other hurler we faced this season. The most of his success, we think, can be attributed to the fact that he throws with the wrong arm which was a little awkward to us, but

nevertheless, we pounded his delivery for enough hits to pile up six runs. The best they could do was to make an unearned run off of our clock working pitcher, whose name is Thompson. We defeated Lebanon Junction in the second game by the score of 12 to 3. This game proved to be a thriller from the first until the seventh inning when Westerfield weakened and we ran in seven runs. The features of the game were a home run by Ice and the timely batting of the entire Shepherdsville team, while Roller's batting featured for Lebanon Junction.

\*\*\*Mrs. Melville M. Stevens

Mrs. Melville M. Stevens passed away at her home, 10559 Prospect Avenue last Saturday morning. She was the widow of Alexander B. Stevens, founder of the lumber company which bears his name.

Mrs. Steven's maiden name was Melville Miller. She was born near Shelbyville, Ky. Sept. 18, 1842 and was educated at Dr. Broadus' Boarding School for Girls in Shelbyville. At the time of the Civil War, she was a teacher in the Louisville Public Schools and became acquainted with Mr. Stevens, who was then serving as a Union Soldier, being stationed in Louisville, Ky. Mr. and Mrs. Stevens were married in Louisville near the close of the war. From Louisville they went to Cleveland to live, then to Auburn, N. Y., and from there to Coldwater, Mich.

In 1875, they moved from Englewood to Washington Heights where Mr. Stevens was employed as agent for the Rock Island and Pennsylvania Railroad.

Mrs. Stephens was one of this community's early residents. She, together with her husband, was a charter member of the First Baptist Church of Englewood, and after moving to Washington Heights, for several years an active member of Bethany Union Church. Early in the history of the cause of Christian Science, she identified herself with this movement and thereafter gave to it her loyal and active support.

She was, for several years, a director of Fourth Church of Christ Scientist of Chicago, and for many years, a Christian Science Practitioner in this community. She found her greatest happiness in bringing comfort and help to others, as she many friends well know.

Mrs. Stevens leaves two daughters, Nettie M. Stevens and Jessie C. Stevens and one brother, Robert Miller, of Shepherdsville.

The funeral service was held Monday afternoon at her home and was conducted by the readers of Thirteenth Church of Christ Scientists, Dr. M. A. Whinney and Mrs. Bretsnyder (sic). The pallbearers were: J. E. Bayard, F. M. Timms, W. I. Hitt, Wm. Bretsnyder, C. E. Leech and J. W. Long. Interment at Mt. Greenwood. The Weekly Review, Chicago.

brought here and taken to Pitts Point and laid to rest in the Greenwell cemetery.

\*\*\*The World's Most Interesting Woman is coming to town in a Pathe Gold Rooster 5 reel play.

She is LINA CAVALIERI, the Italian actress whose classic beauty is the marvel of men and envy of women throughout the world. She is featured with Lucien Muratore, her husband, the finished French actor, in this play, a feature remarkable for its unusual story, the beauty and grandeur of its settings and the quality of its photography, most of whose scenes were photographed in Italy.

This pair of world-famed artists will appear in Pathe's 5 reel creation at the Masonic Temple, Shepherdsville, Thursday night, Dec. 12<sup>th</sup>. It is a great photoplay, with a strong moral, and there will be a lump in every throat, and not a dry eye in the house at the climax with which the picture ends. East Lynne and The Old Homestead were million dollar stage productions because they had this same big heart appeal. This is the biggest and most expensive picture we have ever shown. Read what the Pathe Exchange which made and booked us the picture, says of it:

"Masonic Temple, Shepherdsville, 'THE SHADOW OF HER PAST' is the first of our Master Productions. For the first thirty days, we are charging \$50.00 per day, and for the second thirty days, we are charging \$30.00 per day for it. Taking into consideration the magnificent picture it is, and its splendid drawing powers, I

believe you can afford to book it for one day. We will include a reel of Florence Rose Fashions (Pathe's) which rents for \$5.00 per day. Our first open date is Dec. 12<sup>th</sup> and we are holding it for you.

Very truly yours, Pathe Exchange, Inc. W. S. Wessling, Manager.

The Florence Rose Fashion Films are charming and are sure to delight every woman, and please every man. They are not in any sense advertisements, and nothing like has appeared here. The one to be shown on the above date is "Betty at the Wedding" in which for fifteen minutes, beautiful creations for the wedding and honeymoon are shown to their best advantage on exceptionally pretty living models.

The music on this occasion will be furnished by the accomplished Miss Bernice Wimberly on the violin with Miss Edith Hancock, whose ability as a pianist is beyond question, at the piano. Shepherdsville pupils of Miss Wimberly will also render violin selections.

In view of the unusually high cost of the pictures for this program, it is impossible to maintain on this date the regular picture show prices, and for this date only, admission for all seats will be 5 cents for children and 15 cents for adults. No seats will be reserved. It will require a big attendance, at these prices, to cover the cost of this program and we trust the public will patronize it generously.

vacancy on the County School Board, a place he has filled well since the resignation of the late William Foster some year ago.

The High School girls led by Miss White played a game of basketball here Friday night against the team from Hodgenville and easily defeated their guests 42 to 4.

The following day the visiting team played at Lebanon Junction, but we never heard the result.

Mr. Russell and wife are boarding with Mrs. Lindsay Ridgway this winter. Mr. Russell is secretary of the local school board here and much interested in all school affairs.

Charles Lee Bradbury, son of Hon. C. F. Bradbury, former school superintendent, is critically ill with pneumonia.

The County School Board is making some needed repairs on the school building at Mt. Elmira.

Mrs. Oscar Pearl is spending this week at Nolin, Ky.

Miss Lillian Thompson and her sub trustee, Mr. Herps, are making some improvements themselves at the school building at Cedar Grove.

Mr. Herc Weller Sr, brother of Nick Weller, former school superintendent of this County, and himself a teacher for many years, died at his home here Sunday after a lingering illness.

Brooks Tyler, of the Hebron School, got his leg broken recently by a fall from a colt he was riding.

One of the very best schools to be found in the State is now in

progress at Sugar Valley in this county on the Bardstown Pike near Smithville. Many of the leading families of Nelson and Spencer are sending their children there and the attendance is over 95 per cent of the enrollment for the month just closed.

The following letter was just received:

Dear Mr. Roby, It is not likely there will be a sufficient amount in the School Fund for us to meet the double installment when due, on December 9. We do hope, however, to be able to make the payment by December 23. Yours truly, V. O. Gilbert.

### \*\*\*Death of William J. Phelps

#### Photo

Mr. William J. Phelps, Bullitt County's oldest and best loved citizen, died at his home two miles northwest of this place last Friday, from the effects of a fall which he had sustained a short while before. Mr. Phelps was born in Luzeren County, Pennsylvania, October 8, 1820, came to Bullitt County in 1836, and was married to Miss Susan Murray in 1847. To this union were born six daughters and five sons, and of these four sons and six daughters survive their father. Mrs. Phelps died several years ago and since her death, Mr. Phelps has been tenderly cared for by his children.

Last Sunday, the funeral was held

at the Phelps home in the presence of a large concourse of friends, relations and acquaintances who gathered to pay a last tribute to a man who was respected by all. The services were conducted by Rev. H. C. Combs, of the Baptist Church here, of which Mr. Phelps had been a devoted member for sixty years.

After the services were concluded in the home, the remains were taken to the family burying ground nearby and laid to rest beside the beloved wife and mother who had gone before him. Six grandsons were pall bearers. The services were very touching. There were few dry eyes in that large crowd.

As the grave was being filled, the choir sang "The Sweet By and By" and while the words and music of that beautiful hymn brought tears to the eyes of all who stood about the grave of their departed friend, the soul of the sainted patriarch had crossed over to that beautiful shore and with the countless hosts of the redeemed, was singing "the melodious songs of the blest"

The life of Mr. Phelps was an open book with unstained pages. He was upright in the sight of God and man. Like the waters of a brook, he moved on smoothly and evenly without tumult or friction. His sober, clean life enabled him to live twenty six years beyond the allotted span. Peace to his honored ashes, and may the boys and men of our county emulate his good example. To his devoted children and grandchildren, we tender our deepest sympathies.

### \*\*\*Mrs. Elizabeth Rickerson

Mrs. Elizabeth Caldwell Rickerson, beloved wife of J. I. Rickerson, died at her home in Shepherdsville, Thanksgiving morning of heart disease, from which she had suffered for some time. Her remains were buried in the Hebron Cemetery Friday after services in the home, conducted by Rev. P. H. Ryan. Mrs. Rickerson was sixty-four years of age and had spent all of her life in Shepherdsville, where she was born.

She is survived by her husband, J. I. Rickerson, one daughter, Mrs. Pearl Lee, one grandson, Frazier Lee and numerous other relations. Mrs. Rickerson was a faithful wife, loyal and devoted mother, and as a neighbor and friend, she had no superiors. She was a home loving woman, devoting all her time and care to her home. She was a faithful member of the Shepherdsville Methodist Church and in her church and its societies, her loss will be felt most keenly. She lived and died in the faith. Her high standing and worth were so well known in this town and county, that we cannot add to it by a multiplicity of words. "She was a good woman" expresses it as plainly and fully as columns of panegyric could. She will be mourned for and missed in this community, and her death has left a void in her home which cannot be filled. Her aged life partner who has walked by her side for almost a half century, sharing life's sorrows and joys, will miss her more than all others, and to him, and to her faithful daughter, and to her grandson, to whom she was both grandmother and mother, we extend our

sincere sympathy.

### \*\*\*N. H. Weller

Mr. N. H. Weller, a highly respected citizen of this place, died at his residence last Sunday night, after an illness of several months, of a complication of diseases.

He was about seventy-seven years of age. Mr. Weller was born in Leaches.

The remains were buried in Cedar Grove Cemetery last Tuesday morning. Mr. Weller is survived by his widow, Mrs. Biddie Weller, one son, G. Herc Weller, of Knoxville, Tennessee, three brothers, G. W. Weller, of this place, N. J. Weller, of Pineville and Thos. Weller of Illinois, two sisters, Mrs. Amanda Bowman of this place and Mrs. G. W. Lutes, of Texas.

Mr. Weller was one of the best known men in our county and few men had more friends. He was a quiet, home-loving man who attended strictly to his own affairs, always had a good word for his fellow man, and his cheerful disposition made him a favorite amongst his associates. He was plain and unostentatious, cared nothing for style and pretension and abhorred shams and deceptions of all kinds. Until a few years ago, he was an active business man, but age and disease destroyed his activity, and for several years, he had lived quietly at home. We tender our sympathies to the bereaved ones who have suffered an irreparable loss in the death of their loved one. A loving husband, father and brother has obeyed the last summons.

Teachers, take notice that what you have been teaching your pupils for years about the evil and injurious effects of alcohol is now, at last, being appreciated and the politicians or the parties are running a race for the dry plane in their next platform.

Nick Weller, who lost the sight of his right eye several years ago, is now in Louisville under the care of Dr. Cheatham for the treatment of the other one.

Miss Evelyn Howell, now Mrs. Melvin Martin, has just tendered her resignation as teacher of Chappell Ridge on account of a nervous breakdown. Mrs. Martin has made many friends in that community, both among the pupils and parents and had expected to finish her school, but had to give it up on the advice of her physician.

Miss Willie May Ridgway left Sunday to take charge of the school at Chappell Ridge. Miss Ridgway is the last of the three popularly elected substitutes for the county. All three have been pretty busy this year and are all bright, well qualified young ladies.

Ack Hill Harned, a former high school pupil at Lebanon Junction, and son of John D. Harned was married last week to Miss Geneva Verne, of Lebanon, Ohio.

Miss Mary McKeeney, who taught a private school for several years for J. V. Rouse and Ade Harris at Solitude, was employed last week at regular substitute teacher for Shelby County.

This arrangement is one of the best steps ever taken by the County School Board and, as has

been shown this year, kept nearly a half dozen schools from having the usual "break" always caused by stopping a school for even a short time.

We are glad to announce that we yet have two excellent teachers for vacancies and will ask that all teachers, who are compelled to close for sickness or any other cause, notify the County School Board, care of Ora L. Roby.

### \*\*\*Dodd-Clevidence

Marriage license were issued this week to Mrs. Rosa Dodd, of this county, and Mr. Robt. Clevidence, of Charleston, Monday.

The bride is the widow of the late Wm. Dodd, who died some three or four years ago and for the past 16 years, has kept house for Greenwell Bros., at their farm near Pitts Point.

Mr. Clevidence was raised in the county but some years ago moved to Missouri and is now a well known successful farmer of that state. The Pioneer extends congratulations.

### \*\*\*State Debt

In 1912, there was a deficit in the State Treasury of \$440,687.09, and in 1913, a deficit of \$102,351.51 making a total deficit for the two years of \$543,038.59, or an average deficit for the two years of \$271,519.29. In other words, the State lacked just that much of collecting as much money as it spent. When a farmer, or merchant, or contractor spends more than he makes, bankruptcy is just about in sight. It is so with the State. We are bound to take care of our State

institutions and pay salaries, and provide for the common schools, and it takes money to do that.

They only relief in sight must come through a better, more efficient system of assessing property and levying taxes. There are thousands of rich people who are not paying taxes. Some way must be found by which they can be reached and taxed. With the State debt mounting higher and higher, does anybody doubt that we need a better taxing law? We need it right now. Procrastination in this case will be the thief of State credit, the father of debts.

### \*\*\*Loyal Daughters's Banquet

On Tuesday evening, November 28<sup>th</sup>, the Loyal Daughters of the Christian Church of Lebanon Junction, assisted by their teacher, Mrs. R. G. Hampton, entertained their many friends at their annual banquet in the Masonic Temple of that city. Places were laid for about eighty-five and a real Thanksgiving banquet consisting of turkey, cranberries, ice cream and all such good things as are only found at a banquet was prepared.

Rev. W. T. Foster, pastor of the church, presided in his most elegant and entertaining manner as toastmaster and talks were made by Mrs. R. G. Hampton, Messrs A. H. Harned, Wm. Stephenson, T. C. Carroll and Roy K. Roderick. A most entertaining musical program was rendered by Mrs. Hampton, Messes Westerfield, Myers, Steiger and Hendrickson and one thing especially that made each person glad he came was the welcome extended by Miss Whittinghill.

# Pioneer News 1916 - 1917, J. W. Barrall, Editor

Transcribed from microfilm by Edith Blissett in 2003.

Too much praise cannot be given the young ladies and their teacher for the manner and spirit in which this banquet was given and after benediction was pronounced, it was the unanimous wish of all present, to be at the one next year.

The Loyal Daughters is a class of twelve young ladies of the Christian Church taught by Mrs. R. G. Hampton. Their motto "Living, Loving, Lifting" and the interest they are taking in their work has aroused much interest in the churches of Lebanon Junction.

May they continue to, in the future, their good deeds of the past. Then surely, they deserve their reward hereafter.

#### \*\*\*Educational Jottings

Chas. Daniels has accepted the school at Shades where he taught a few years ago. The vacancy was caused by the resignation of Miss Maria Arkisson.

What was generally considered

the best event ever given in Shepherdsville was the musical entertainment given at the Masonic Hall here Friday evening under the auspices of Prof. Sanders and his school by four young ladies from the Louisville Conservatory of Music.

The County School Board at their regular meeting here Monday voted to have a new cistern dug at Mt. Olive, Highland and Cedar Glades.

Miss Wimberly, one of the four young ladies who gave the recent musical here, has been teaching violin in this community this year and from what we can learn of her, any parent would do well to see her if you desire teaching in that line.

Nadine Melton, Edyth Clark, Grace Griffin, Nellie Scott, Lena Ice and several other teachers were in the city Saturday shopping.

Miss Willie May Ridgway who is filling the vacancy at Chappell Ridge is pleasantly located with Mr. and Mrs. Joe Chappell.

For some reason, the teachers third and fourth months checks failed to show up Saturday but we have the promise from the State Supt. that they will be here by Dec. 23<sup>rd</sup>.

Miss Ruth Van Meter who has been absent from her room in the school here resumed her duties Monday.

Miss Lillian Thompson, teacher at the Cedar Grove school raised something over \$40.00 this year with a little social gathering and unlike most teachers, she spent it for useful things, such as a

concrete top for the well, book shelves, painting and repairing doors, varnishing desks, wood shed, door steps and a day with a first class carpenter, just fixing "round". Can you beat it? And won't everybody appreciate it, even the little folks?

#### \*\*\*Death of Mrs. Sallie Lee Preston

On Wednesday night, Dec. 6, 1916, at the home of her sister, Mrs. Wm. Miller, in Hodgenville, Mrs. Sallie Lee Preston, after a long and painful illness, entered calmly, sweetly, and peacefully in the Great Beyond.

Her death, although not unexpected, came as a sad shock to her family and friends. Everything that mortal hands could do, was done to prolong her life but God chose otherwise and her spirit has only winged its way from this sinful world of sorrow and death to the blessed and beautiful realms of eternal life. She was born in Belmont, Kentucky, and lived here the greater part of her life, where she leaves many warm friends who knew her from childhood. She was married about thirty-five years ago to Mr. W. H. Preston, who with one son survives her. She had a bright and cherry (sic) disposition and her presence was

always sunshine, and conceived all along of failing powers and approaching dissolution. No word of complaint or impatience ever escaped her lips. But the Heavenly Father has called her where there is no suffering nor sorrow and loved ones are never parted.

May God's grace sustain the husband and son, brothers and sisters a few more years when they too will cross over and join her in that better land.

The last rites were performed by Rev. Bell at the Lebanon Junction Baptist Church and with the beautiful hymn, "Oh, Think of the Home over There", her remains were tenderly borne to the cemetery at Lebanon Junction there to rest and await the resurrection morn.

The sorrowing relatives and friends have the sympathy of all in the dark hour, and may this be the light to guide their faltering steps to the home - not made by mortal hands - beyond the valley of darkness.

### \*\*\*A Beautiful Girl Dies

Greatly lamented was the death of Miss Bessie Ross, at her home in Louisville, Friday, December 8, 1916 of peritonitis, when her spirit took its flight to the God who gave it and He who in his wisdom, doeth all things well.

Only an illness of a few days, then one of the lights that shed its sunshine around the hearthstone has faded from earthly vision to shine as a beacon light of hope on the shore of eternal beyond. The idol of a mother's heart, the life of a father, being the spring day companion of her two brothers and her twin sister, whom she idolized. Her death will be mourned in the dreary days to come with all the compassionate tenderness the human heart can bestow; but she has gone from earth to return no more. The flower has fallen, its stem rudely broken by death in the spring time of beauty and grace, but Jesus has snatched it to bloom as a token of His love and delight 'neath the smile of His grace.

If words and feelings of sympathy have taught to assuage the bitter pangs imposed by death, then bereaved ones do we extend ours in the truth and sincerity. Bessie leaves to mourn her loss besides her mother and father, Mr. and Mrs. J. K. Ross, Oscar and Howard and twin sister, Mamie, a host of relatives and friends. She was a niece of J. W. ??? of this place.

Grieve not, for your darling Bessie has only gone before and will wait for you on the other shore where life immortal forever dwells. Funeral services were held at her home on Central

Avenue, Monday by the Rev. Sweets, Editor of the Christian Observer, after which her remains were laid to rest in Cave Hill.

### \*\*\*Farm Folks - Big 4 act play by local talent.

The play to be presented at Fraternal Hall, Friday, December 22, by local talent for the benefit of the Red Men promises to be a most entertaining affair.

The rehearsals during the past week show an unusually strong cast. Critics who have been present say without hesitation, that it is exceedingly impressive and interesting play, the kind of a play everybody understands and likes. A story with a strong heart interest and pathos, yet so intermingled with comedy that it is simply side splitting at times.

The story or plot is woven around a pretty demure country girl of eighteen and two young men. One a handsome, polished young business man, the other sturdy, good looking, manly young farmer. These parts are played by Miss Bessie White, C. F. Troutman Jr and Irwin Funk.

Mrs. Annalea Smith, as "Delia", the hired girl; Mrs. Cora Roby as "Mrs. Peasley", the country gossip and C. A. Masden as the "Jack of all Trades" supply the comedy and you will never see it supplied in greater abundance and variety.

Other important and difficult parts are played by Mrs. Hallie Hamilton, Miss Laura Daniel, Mrs. Jim Croan, Prof. Ora Roby and Mr. Henry Hamilton.

A special musical feature will be rendered by the Red Men band.

Only one hundred seats will be reserved. These are now on sale at the Peoples Bank. General admission 25 cents, Children 15 cents, Reserved seats - 35 cents. The doors will open promptly at 7 o'clock. Curtain 7:45.

\*\*\*The Times Did It

It is not often that the Louisville Times can be indicted for using dynamite, but it certainly turned loose a few sticks of that dangerous substance when it published that celebrated article on the submission of State Wide and Woman's Suffrage.

Not only have democratic politicians and papers been taking sides with the Times; Many of the most prominent and popular men in the republican party have changed over in favor of submission. Scared to death lest the democrats might "beat them to it", A. T. Hert (He was Hurt when Hughes was beaten), John P. Haswell and Edwin P. Morrow have come out flat footed for submitting the amendments. O'Rear and Bennie Bruner were on that side "alretty", and Powers and Langley are dry. E. T. Frank, is also for submission, so John McCulloch and Richard Ernst and Marshall Bullitt and Dirk Stoll are the four republican leaders who have not declared for it. Until the Times published that article, Ed Morrow was supposed to be as wet as a big Mississippi catfish, but since then he has been as dry as the arid desserts of Sahara, or Death Valley, California.

Judge Charles A. Hardin, Chairman of the State Central and

Executive Democratic Committee favors a submission of the amendments on the high ground that the people should be allowed to have a voice in the matter.

The Times has started out for a hard, aggressive fight and with it's large and intelligent corps. of workers, it will make its influence felt.

It would not be at all surprising the republicans held a State Platform Convention in the spring and adopt a platform for the guidance of their representatives in the next legislature, favoring the submission of State wide and Woman's Suffrage. They are just a little anxious to beat the democrats to it in advocating those two amendments and convention may be looked for in the late winter or early Spring.

Just what action the democrats will take, we do not care to say, but they will be "around", there at the psychological moment wearing bells and getting busy.

John D. James, who undertook to shoot a rabbit with a heavily loaded army musket, is able to be out once more. John said the musket only kicked him in spots, but the spots are as thick as mustard seed, and so large that they cover his entire anatomy. Anatomically speaking, John's body is minus several square inches of epidermis and "sich like"

Attorney Lee and Mrs. Hamilton recently gave an elaborate reunion dinner in honor of Mr. Hamilton, Lee and Hamilton relatives.

Mrs. Mattie Rennison left Thursday for Florida, where she will spend the winter.

Rev. Waters has returned to his home after spending some time with Rev. Combs.

Mrs. Howell Smith spent

Thursday in the city.

Sol Elzy was in the city Monday with tobacco. In our article about the campaign, we failed to mention the name of Dr. David Smith, who spoke at several places and did splendid work for the Democratic ticket. "Doc" is witty and fluent and won votes by his good services.

C. R. Smith made a speech at Needmore and worked hard for the party and is entitled to much credit.

### \*\*\*Resolution

At a meeting of the Board of Trustees of the town of Shepherdsville, the following resolution was adopted.

Where as: Bullitt County was one of the first counties in the State to vote in favor of Local Option and Shepherdsville was one of the first towns and:

Where as: The Whiskey Trade persistently refuses to recognize the expressed will of a large majority of our citizens and continues to flood our town and County with intoxicating liquor and to debauch our young man and:

Where as: We have waited in vain for moral or active aid from our so called "Friends of County Unit" or the "Model License League", therefore be it:

RESOLVED: That we the Board of Trustees of Shepherdsville hereby go on record as favoring the submission of amendments to the constitution prohibiting the manufacture or sale of intoxicating liquor in Kentucky and favoring Woman's Suffrage at the earliest possible time when
