LIBRARY CARDS EMPOWER STUDENTS AND FUEL ACADEMIC SUCCESS

September is Library Card Sign-up Month, a time when Bullitt County Public Library joins the American Library Association (ALA) and libraries nationwide to remind parents, students, and communities that signing up for a library card is the first step on the path to academic achievement and lifelong learning.

There is nothing more empowering than signing up for your own library card. Through access to technology, media resources, and educational programs, a library card gives students the tools to succeed in the classroom and provides people of all ages opportunities to pursue their dreams and passions.

Libraries offer everything from early literacy programs to adult computer classes, helping transform lives and communities through education. At Bullitt County Public Library, you'll find a wide selection of educational resources and activities, including personalized research assistance, take-home learning totes, ABCmouse access, premier skills-training tutorials from LinkedIn Learning and LearningExpress, language-learning tools, and more.

"Libraries play an important role in the education and development of children," said Nichols Branch Library Manager Stephanie Simmons. "We have library programs that serve students of all ages and backgrounds such as Toddler Time, Literacy for Littles, Kindergarten Readiness Workshops, Makerspace, and Teen Lounge."

Bullitt County Public Library, along with libraries everywhere, continue to adapt and expand services to meet the evolving needs of our community. To sign up for a library card or to learn more about the library's resources and programs, please visit www.bcplib.org.
